2. Shri Kuldip Sharma
3. Dr. Abhe Singh Yadav
4. Shri Bhagwan Dass Kabir Panthi
5. Shri Om Prakash Yadav
6. Shri Subhash Sudha
7. Shri Ram Chand Kamboj
8. Shri Jasbir Deswal

SPECIAL INVITEE
1. *Shri Balkaur Singh Kalanwali
2. *Shri Naseem Ahmed
3. *Shri Om Parkash Barwa

SECRETARIAT
1. Shri Rajender Kumar Nandal, Secretary.
2. Smt. Pardeep Kaur, Under Secretary.
INTRODUCTION

1. I, Umesh Aggarwal, Chairperson of the Subject Committee on Education, Technical Education, Vocational Education, Medical Education and Health Services having been authorized by the Committee in this behalf, present the Fourth Report of the Subject Committee on Education, Technical Education, Vocational Education, Medical Education, and Health Services.

2. The Committee considered and approved this Report at their sitting held on 15th February, 2019.

3. A brief record of the proceedings of the meetings of the Committee has been kept separately in the Haryana Vidhan Sabha Secretariat.

4. The Committee would like to express their thanks to the Government Officers and other representatives of Education, Health and Medical Education and Research Departments who appeared for oral evidence before them for the cooperation in giving information to the Committee.

5. The Committee is also thankful to the Secretary, Under Secretary and other Officials of Haryana Vidhan Sabha Secretariat.

Chandigarh: (Umesh Aggarwal)  The 15th February, 2019
Chairperson, Subject Committee on Education, Technical Education, Vocational Education, Medical Education and Health Services.
REPORT

The Subject Committee on Education, Technical Education Vocational Education, Medical Education and Health Services for the year 2018-2019 consisting of nine members and three Special Invitees were nominated by the Hon’ble Speaker, Haryana Vidhan Sabha on under Rule 279-A of the Rules of Procedure & Conduct of Business in the Haryana Legislative Assembly.

The Functions of the Committee are as under:-

(i) to scrutinize the demands for grants;

(ii) to examine the working of these departments and to suggest measures for improvements in administration and in different programmes/schemes/projects

(iii) to examine legislation;

(iv) to advice Government on a question of policy or legislation on which Government may consult a Committee

(v) to discuss generally and formulate view on-

(a) State’s Five Year Plan Programme relating to these departments and their implementation;

(b) Report of Public Undertaking under these department;

(c) Reports of any statutory or other body, including any Commission of Inquiry, which are laid before the House relating to these departments; and

(d) Annual Performances Reports of these Departments.

The Subject Committee held 60 (Sixty) sittings during the year 2018-2019 (till finalization of the Report)
MEDICAL EDUCATION & RESEARCH DEPARTMENT

The Committee discussed its scope & functions and desired that the Medical Education & Research Departments asked to supply the information on the following points.

1. The organization of the Department and its subordinate offices. (the information should be shown in the form of diagram chart supported by short explanatory notes)

2. The functions of the Department and its subordinate offices.

3. Broad details on which the budget estimates for the current year are based, along with the budget estimates head-wise.

4. Volume of work in the Department and its subordinate offices covering the period of budget estimates. The budget estimates for the last four years head-wise may also be supplied.

5. Scheme or projects which the Department has undertaken. (the names and details of the Scheme, the estimate of expenditure and period within which likely to be completed, yield if any, progress made to date, should be stated)

6. Actual expenditure incurred under each sub-head of estimates during the preceding four years.

7. Reasons for variations, if any, between the actual of the past four years and the current estimates.

8. Annual Reports, if any issued by the Department on its working.

10. Documents pertaining to current State’s five years plan programme relating to Department and their implantation.

11. Estimate submitted by the Department from different heads.

12. Amount sanctioned for Department.

13. Amount received.

14. Actual received by Department.

15. Utilization of money by these Departments.

Main Functions of the Department

The Directorate of Medical Education and Research had been carved out of the Health Department as a separate Directorate on 8th January, 2009 for the up-gradation and expansion of Medical, Dental, Ayurveda, Homeopathy and Paramedical Education under administrative control of Administrative Secretary of the Department of Health & Medical Education. Subsequently a separate Department of Medical Education & Research was established vide Govt. Notification dated 4th September 2014, for establishment, up-gradation, expansion and regulation of medical education and research, under the administrative control of Administrative Secretary of Medical Education & Research. The main functions of the Department are as under:-

1. Regulate all schools, colleges and Universities in Govt., semi Govt., autonomous and private sector relating to Health and Medical Education.

2. Formulation of policies for ensuring quality medical education. Medical education means education in the field of Medical, Dental Allopathic, Homoeopathic, Ayurvedic, Nursing, Pharmaceutical, Physiotherapy, Para-Medical, Para-Dental, Para-Clinical and Hospital Administration etc.

3. Administration and control of all Government schools, colleges, universities relating to Health and Medical Education.

4. Regulation of admissions, fee matter and examination in private and Government, semi Government and government aided and autonomous institutions functioning in Haryana.

5. Arranging funds for development of medical education and research and encouraging investment through public Private Partnership.

6. Mobilization of funds from Government of India/donor agencies etc.

7. Mapping of human research needs in medical education sector and planning of human resources development according to the needs of the State.

8. Initiating new schemes for promoting welfare of students and faculty in medical education & research.

9. Regulation and standardization of Medical Education. Designing of syllabus, duration of various courses and introduction of new subjects, allocation of seats in various courses in different institutions.

10. Regulating/formulating policies regarding opening, running and closing and affiliation of medical educational institutions.

11. Issuing/renewal/cancellation of LOI, NOC or Essentiality Certificate regarding establishment of Medical Education Institutions under Central Govt./State Govt./Semi Govt./Autonomous organizations and in Private Sector.

12. To ensure that all Medical, Paramedical, Dental, Para Dental, Nursing Institution/ University in the state affiliated to any authorized affiliating Agency within the State or out of the State, take NOC from the State Govt. for establishing an institution in the State.
13. To ensure fairness and quality of education and safeguard the interest of students, periodical intuitions of and obtaining periodical returns from all institutions including Government/Private/Autonomous and universities.

14. To establish and administer Agency, Authority, Boards, Corporation Council, Directorate etc. under the aegis of Department of Medical Education & Research.

15. Inter-state and intra state coordination in the medical education sector.

16. Mapping and registration of existing and upcoming institutions in Haryana.

17. To conduct examinations, frame rules thereof and to award certificates/ diplomas

18. Get the audit (academic or/and accounts) conducted in Private, Autonomous and Government Institution imparting medical education in Haryana.

19. To register pass out students of nursing, Para-medical etc. and frame rules thereof and to establish mechanism for that.

Directorate of Medical Education & Research Haryana

Information regarding - Annual Plan 2017-18

1- 2210-05-105-83-ESTABLISHMENT OF DIRECTORATE OF MEDICAL EDUCATION & RESEARCH

The Directorate of Medical Education and Research had been carved out of the Health Department as a separate Directorate on 8th January, 2009 for the up-gradation and expansion of Medical, Dental, Ayurvedic, Homeopathy and Paramedical Education under administrative control of Administrative Secretary of the Department of Health and Medical Education. Subsequently a separate Department of Medical Education and Research was established vide Government Notification dated 4th September 2014, for establishment, up-gradation, expansion and regulation of Medical Education and Research, under the administrative control of Administrative Secretary of Medical Education and Research.

Departmental long term objective:

1. To provide Tertiary Medical Care at affordable prices to the residents of the state by opening a Medical College (either in Government or in Private Sector) in every district of the State.

Departmental medium term objectives (5 years horizon):

a. To establish University of Health Sciences, Karnal at village Kutail.
b. To make the Kalpana Chawla Government Medical College, Karnal functional.
c. To establish Government Medical Colleges at Bhiwani under centrally sponsored scheme of Government of India.
d. To establish Government Medical Colleges at Jind and Panchkula
e. To establish Government Dental College in the campus of SHKM, GMC, Nalhar, Mewat.
g. Formulation of Policies/Act for ensuring quality Health Education, Health Education includes the field of Medical, Dental, Ayurvedic, Homeopathic, Physiotherapy, Pharmacy, Para medical, Para dental, Para Clinical and Hospital administration etc.
h. Initiating new schemes for promoting welfare of students and faculty in Medical Education and Research.
i. To establish and administer agency, authority, boards, corporations, council, directorate etc under the aegis of Department of Medical Education & Research.

Annual objective & impact expected:-

a. Regulate all schools, colleges and universities in Government, semi Government, autonomous and private sector relating to Health and Medical Education.
b. Administration and control of all Government schools, colleges, universities relating to Health & Medical Education.

c. Regulation of admissions, fee matter and examination in private and government, semi government and government aided and autonomous institutions functioning in Haryana.

d. Arranging funds for development of Medical Education and Research and encouraging investment through public private partnership.

e. Mobilization of funds from Government of India/donor agencies.

f. To promote training of inservice medical and para medical personnels in various fields by deputing them at identified skill centers.

g. Facilitation of Research projects at National and International level.

h. Facilitation of exchange programs for both students as well as faculty in medical institutions at international level.

To facilitate the Medical Educational Institution in the Haryana State, Government has decided to set up office of Director, Medical Education & Research Haryana at Panchkula. To make the payment of salary and other expenses, a budget provision of **Rs.1,060.00 lac** has been proposed for the financial year 2017-18 as per details given below:-

<table>
<thead>
<tr>
<th>Sr. No.</th>
<th>Object Head</th>
<th>2017-18 (Rs. In lac)</th>
<th>Remarks</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.</td>
<td>01- Salaries</td>
<td>565.00</td>
<td>For the payment of Salary/ Leave Encashment/Education Allowance for 110 sanctioned posts a sum of Rs. 565.00 lac is proposed.</td>
</tr>
<tr>
<td>2.</td>
<td>02- Wages</td>
<td>12.00</td>
<td>For payment of wages to Home peon/Part time/Contractual employees, Rs. 12.00 lac is proposed.</td>
</tr>
<tr>
<td>3.</td>
<td>03- Dearness Allowance</td>
<td>20.00</td>
<td>To make the payment of DA to the employees, Rs. 20.00 lac is proposed.</td>
</tr>
<tr>
<td>4.</td>
<td>04- Traveling Expenses</td>
<td>3.00</td>
<td>For the payment of TA/DA of the employees, Rs. 3.00 lac are proposed.</td>
</tr>
<tr>
<td>5.</td>
<td>05- Office Expenses</td>
<td>45.00</td>
<td>To incur the contingency expenses of the office a sum of Rs. 45.00 lac has been estimated.</td>
</tr>
<tr>
<td>6.</td>
<td>06- Rent Rate and taxes</td>
<td>60.00</td>
<td>The Present office of DMER is running from a rental building of Tourism since 2009. The Rent assessment has been done as Rs. 21,29,375/- from 22-05-2015 to 21-5-2016. The</td>
</tr>
</tbody>
</table>
payment of rent has been made till August, 2014. Due to some administrative reasons the payment of rent for last 25 months cannot be made. Now the department has asked the Tourism department to submit a fresh bill. Once the bill is received, Directorate will make full payment out of the budget available for this purpose. However of rough calculation the figure of rent that. Director owes to tourism corporation approximately workout Rs.53.00 lac. Now the DMER office will shift to a newly rented building in Sector-16 Panchkula owned by a private owner. The agreement for this has already been done. The office will shift in the first week of December. The agreed rent per month with the owner of new building Rs. 2,15,000/- per month. So the annual expenditure comes about Rs. 25,80,000/- lac. Available budget 60.00 lac and payment due to tourism department is Rs. 53.00 lac. Funds to be required till March 2017 for the New owner for payment of rent (from 2-9-2015) Rs. 38.70 lac. There will a deficit of Rs.31.70lac.

So this amount need to be paid during the year 2017-18. The Proposed payment towards rent should include the deficits of Rs. 31.70 lac which come amounting to Rs. 57.50 lac. Thus this office proposed twelve months rent of new building plus the deficit of Rs.31.70 lac which comes around Rs. 57.50 lac. Therefore a budget provision of Rs 60.00 lac may again be made under the head RRT.

7. 21- Motor Vehicles 30.00

At present the Directorate has one official vehicle for HOD (Director) and four staff cars. The directorate has sanctioned staff strength of 110 out of which there are 2 posts Additional Director 2, 02 posts of Joint Director, 08 posts of Deputy Director, 1 posts of Senior Accounts Officer, 2 posts of Accounts Officer, The Directorate looks after all the 5 Medical Colleges, 11 Dental Colleges and 175 Nursing School. The Officials makes frequent field visit to various institutes for the purpose of inspection and other works. There is requirement of additional staff cars to manage the such huge work load. Therefore, this Directorate proposes to purchase 4 New Staff Cars (Maruti Dzire) for smooth functioning of office. There are 8 sanctioned posts of Drivers.
There will be no problem so far as drivers for new vehicle are concerned as 8 posts of driver have already been sanctioned for the Directorate. So a budget provision of Rs. 30.00 lac has been proposed under the Head Motor Vehicle.

<table>
<thead>
<tr>
<th></th>
<th>8. 33- Payments for Professionals and Special Services</th>
<th>30.00</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Against the 20 sanctioned posts of Clerks the Directorate has engaged Computer professionals from HARTRON. Out of 20 posts of Clerks, only 5 regular Clerks are working and the remaining 15 will be engaged from HARTRON only. So approximate Salary of the 15 No. of posts Clerk/Data Entry Operator will be Rs. 2,10,000/- per month. So the Department has proposed Rs. 30.00 lac under this head.</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th></th>
<th>9. 45- POL</th>
<th>40.00</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>The Directorate proposes to purchase 4 new vehicles for office use in the Financial year 2017-18 in addition to 5 vehicles available with the Department to meet with the requirement of the Department. Therefore, a provision of Rs. 40.00 lac is proposed under this Head.</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th></th>
<th>10. 64- Lands</th>
<th>100.00</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>The correspondence with Haryana Urban Development Authority is going on for providing land for the office building of the Directorate. The Matter is under consideration of the Govt. Therefore, the present budget provision of Rs. 100.00 lac may be allowed to continue.</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th></th>
<th>11. 67- Medical Reimbursement</th>
<th>10.00</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>A provision of Rs.10.00 lac has been proposed for reimbursement of Medical Expenses of the Employees.</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th></th>
<th>12. 69- Contractual Services</th>
<th>60.00</th>
</tr>
</thead>
</table>
|   | The directorate Medical Education & Research has staff strength as under:-

<table>

<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
| The present outgo toward the payment of salary/wages to contractual/outsourced employees is Rs. 4,24,240/- per month. F.D. has given the last sanction of 79 posts with the condition that all the posts of Sweeper/Peon/Stenographer/Junior & Senior Stenographer/Junior programmer shall be filled with outsourcing only. The total No. of outsourced employees of the directorate would be 32. Therefore, the approximate expenditure toward salary/wages as calculated by the department is Rs. 4,24,240/- Per month. Thus the
13. 70- LTC 15.00  In view of the Govt. decision to implement the report of 7th pay commission there is likelihood that employees of the Directorate may avail one month salary in lieu of LTC. Since there are 23 No. of Regular employees, the likely expenditure under Head LTC will be Rs. 15.00 lac.

14. 79- Ex- Gratia 4.00  For payment to the family of deceased employees, Rs. 4.00 lac is required.

15. 88-Computerization 50.00  The Department proposes to provide laptop and other computer accessories to the officers in the Directorate so that office work can be conducted smoothly and efficiently. There is also a proposal to constitute a separate Examination Board to be called as “Haryana State Para-Medical & Nursing Examination Board”. There will be need to develop detailed I.T. infrastructure including software for various Examination related process. The sum of Rs. 50.00 lac is proposed by the Department under this Head.

16. 92-Energy Charges 6.00  The payment of electricity bill of the present building is initially made by the Mission Director, NHRM and thereafter recovered from this Department. The charges of electricity from December 2015 till date are pending and the department has asked NRHM to submit the Bill and payment is to be made before the completion of the financial year. Therefore, a budget of Rs. 60.00 lac is proposed for payment of Electricity Charges of the office building.

17. 98-Furniture 10.00  Since new staff will be joining in 2017-18 and the Directorate has shifting to the new premises, therefore, there is requirement of more furniture.

**Total** 1060.00

BROAD DETAILS ON THE BUDGET ESTIMATES OF MAHARAJA AGRASEN INSTITUTE OF MEDICAL RESEARCH & EDUCATION AGROHA FOR THE YEAR 2017-18

ELABORATED EXPLANATORY MEMORANDA

INCOME

Estimated income during the year 2017-18 is expected to be Rs. 946.39 lac as compared to estimated income of Rs. 756.76 lac during the year 2015-16 (as detailed in Annexure-I). An increase of Rs. 189.63 lac is expected during the year. Such an increase is mainly due to increase in student fee which is due to increase of admission from 50 MBBS students to 100 MBBS students from the year 2016-17.

EXPENDITURE

Recurring Expenditure

Recurring expenditure for the year 2017-18 is expected to be Rs. 7,389.69 lac (as detailed in Annexure-II) as compared to estimated expenditure of Rs. 6,257.97 lac during the year 2016-2017. Thus there shall be an increase in expenditure of Rs. 1,131.72 lac as compared to previous year. The explanation is given as under

i) Salary- An expenditure of Rs. 4,628.66 lac on account of salary has been proposed by incorporating Academic Allowance, Conveyance Allowance, NPA, H.R.A, GP, D.A.@ 125% , Pension, NPS, Rural Allowance to faculty, etc. for the financial year 2017-18. There are 519 sanctioned posts for which amount has been proposed, detail of which is as under:

1. 454 Sanctioned Filled Posts = Rs.3,541.99 lac
2. 65 Sanctioned Vacant Posts = Rs. 258.72 lac
   Total 519 sanctioned Posts = Rs.3,800.71 lac

Add: Rural Allowance to faculty = Rs. 400.08 lac
Add: Provision for 7th Pay Commission = Rs. 400.00 lac
Add: Ex-gratia of deceased employee = Rs. 27.87 lac
   Total = Rs. 4,628.66 lac (as per Annexure-II)
There is an increase of Rs. 639.27 lac as compared to previous year. The increase is due to provision taken for 7th pay commission and also due to approximate 6% increase in total salary as compared to the previous year. A provision of Rs. 400.08 lac for 204 teachers on account of Rural allowance equivalent to the special allowance being given in BPS, Medical College, Khanpur has been made. A provision of Rs. 234.00 lac have been made on account of NPS/Pension contribution of employees and a tentative provision of Rs. 150.00 lac has also been incorporated for payment of arrear of NPS to the staff appointed on or after 01.01.2006.

ii) **Learning Resource Allowance** A provision of Rs. 14.00 lac (Rs. 20000/- for approximate 70 faculty members) has been made on account of Learning Resource Allowance.

iii) **Wages** A provision of Rs. 1,056.00 lac on account of payment of wages to the manpower engaged/hired through outsourcing contract on the basis of minimum wages as per DC, Hisar rates on the pattern of University of Health Sciences, Rohtak has been made.

iv) **POL running & maintenance** The abbreviation stands for Petrol, Oil and Lubricants. There are 18 vehicles in this institution which includes buses, jeeps, ambulances, tractors, etc for which amount required for day to day running and maintenance. Therefore, a provision of Rs. 56.92 lac (as per annexure-II) has been made for POL etc. for the year 2017-18. An increase of Rs. 05.17 lac @ 10% is taken as compared to estimated cost of Rs. 51.75 lac for the year 2016-17.

iv) **Material & Supply** It includes hospital expendables (i.e. cotton, bandage, chemicals, reagents, medicines, x-ray films, O.T. expendables etc. A provision of Rs. 550.00 lac (as per annexure-II) has been made for material & supply for the year 2017-18. An increase of Rs.185.45 on the basis of 110% of the actual expected expenditure of the year 2016-17 is taken [i.e. 110% of (250 lac from April’16 to Sept.16’2)]. The provision of this year is increased by 50% as compared to the estimated expenditure of the year 2016-17 because OPD and indoor have increased to a large extent and due to this expenditure on medicines, chemicals, X-ray films, etc. have increased.

v) **Office Exp & Other Contingencies** A provision of Rs. 479.64 lac (as per annexure-II) have been made under this sub head for the year 2017-18 as compared to estimated expenditure Rs. 398.04 lac for the year 2016-17. An increase of Rs. 81.60 lac @ approx. 20.50 % is expected for the year. The expenditure on electricity is taken @110% of actual expected expenditure of Rs. 314.00 lac for the year 2016-17. While expenditure on advertisement, printing and stationery, horticulture, postage, telegram, stationery, traveling expenses, telephone, water, news papers, professional charges, audit fee, legal fee, waste disposal and other misc. expenditure have been taken @ 110% of estimated expenditure of the year 2016-17. All the estimated expenditure for the year 2017-18 have been rounded off to nearest hundred of rupees in the annexure-II.
vi) **Repair & Maintenance**

a) **Repair & Maintenance M & E and Water Supply** For smooth running of the college & hospital it is essential that machinery & equipment, furniture & fixtures should be maintained properly and got repaired from time to time and water supply be made timely. Hence a provision of Rs. 70.40 lac for the year 2017-18 has been made under this sub head as compared to estimated expenditure of Rs. 69.00 lac for the year 2016-17 (as per annexure-II).

b) **Repair & Maintenance of Building** A provision of Rs. 246.67 lac (annexure-II) have been taken for the year 2017-18 as compared to budgeted estimate of Rs. 224.25 lac for the year 2016-17. The huge provision is made because the repair & renovation work of the old buildings is in progress, repair & renovation of old water works, old hostels to be done and other petty repair works to be carried out. To complete repair and renovation work, this amount is essentially required.

vii) **Stipend to Interns/PG** The stipend is being given to MBBS students doing internship as per policy of the Govt. Provision of Rs. 72.00 lac has been made (@Rs.12000/- P.M. per students for 50 students at present). Also a provision of Rs. 188.26 lac has been made for 22 PG students as per the rates and scale allowed by the Govt. for PG students in the State.

viii) **Children Education Allowance (C.E.A.)/ Medical Insurance** The Govt. has allowed Children Education Allowance vide notification Enst No. 4/5/2009-5FR dated 27.08.2014. Therefore a provision of Rs. 26.11 lac has been made (Rs. 750/- per Child for approx. 290 children. And a minimal of Rs. 1.00 lac has been made for Medical Insurance to escape any liability which may arise on account of any claim made by the patient against the institution.

**Non Recurring expenditure**

Non Recurring expenditure of Rs. 2,365.26 lac (as detailed in Annexure-III) is expected to be incurred on furniture, machinery & equipment, library books and new construction works to be taken up during the year 2017-18 as compared to expected expenditure of Rs. 2113.29 lac for the year 2016-17.

i) **Machinery & Equipment, Vehicles, Furniture and Library Books:** There is an estimated demand of Rs. 837.60 lac received from various departments (list attached) for purchasing essential new machinery & equipments which have been restricted to balance approved expenditure of Rs. 600.00 lac under this head in the revised Project Cost of Rs. 172.51 crore. An estimated demand of Rs. 140.00 lac for library books and journals (needed as per MCI) required to be purchased during the year 2017-18 have been incorporated in the budget provision. Also, a sum of Rs. 56.00 lac have been demanded for purchasing of 2 new buses and 2 new jeeps. Therefore, a total provision of Rs 740.00 lac (as per annexure-III) have been made under these sub-heads keeping in view the feasibility, essentiality and to upgrade the medical facilities and studies of UG as well as PG students.
ii) **Construction of Building**  A provision of Rs. 1,625.26 lac (as per annexure-III) have been made for the year 2017-18 for construction of buildings which will be borne by Society & Govt. on 50-50 basis as compared to estimate of Rs. 1,296.24 lac for the year 2016-17. The provision has been made for new buildings i.e. construction of new hospital block D and E and additional floor on work shop to be used as hostel for MBBS students in place of 50 No. Type-IV Qtrs which will be essentially needed for increased 100 MBBS seats.

The Govt. is therefore, requested to kindly accord necessary sanction for making budgetary estimates of Rs. 8,808.56 lac (approx) (as per Appendix-I) and also accord sanction for releasing Grant-in-aid of Rs. 7,552.03 lac for the year 2017-18 to this institution.

3- **2210-05-105-82-51 ESTABLISHMENT OF BPS GOVT. MEDICAL COLLEGE FOR WOMEN, KHANPUR KALAN, SONEPAT**

The BPS Govt. Medical College & Hospital, Khanpur Kalan, Sonepat has made functional w.e.f. September, 2011. This College is 100 seated Medical College and 620 bedded Hospital attached to the College. To strengthen the staff of the Medical College & Hospital a sum of **Rs.11,898.00 lac** as compared to BE of Rs. 8555.00 lac during the year 2016-17 has been proposed for the salary and other expenditure of faculty and other Para Medical/ Administrative Staff.

Thus, Total budget provision under this scheme has been proposed as under:-

### 5. 2210-05-105-78-51 ESTABLISHMENT OF KALPANA CHAWLA MEDICAL COLLEGE, KARNAL

The concept plan of the project was approved on 10.10.2012. **Foundation stone of the Medical College was laid on 18.11.2012** in the premises of erstwhile Police Lines Karnal.

The Detailed Project Report (DPR) amounting to Rs. 645.77 crore for the construction of Kalpana Chawla Govt. Medical College, Karnal has been approved. Approx. 52 acre land is available for this project for the construction of hospital, college and residential building.

In order to make the Kalpana Chawla Government Medical College functional, the state government has sanctioned 864 posts of different nomenclature and a new hospital with more than 500 indoor beds has been constructed by the Executing Agency HSCC (A Govt. of India Enterprise).

At present 242 staff is working under Kalpana Chawla Government Medical College, Karnal and 81 members of the teaching faculty have been appointed by the Government. 134 posts of class-III & IV are being filled on transfer basis from other departments. Further, 307 posts of class-III & IV are being filled by direct recruitment.

The new hospital building is likely to be taken over by the department in the month of January 2017, and expenditure will naturally increase to almost double the present expenditure in various objects of the expenditure schemes. In the next financial year i.e. 2017-18, the working staff on roll with increase from presently 242 to 758 approx. Taking into account the strength of staff which would be on roll of the College, the budgetary demand of the College under various standard objects works out to **Rs. 78.00 crore** as
compared to BE Rs. 2820.00 lac during the year 2016-17 for the financial year 2017-18 including the budgetary requirement to implement the recommendation of 7th Central Pay Commission.

In the light of above, Finance Department, Haryana may kindly be approached to consider allotment of funds to the tune of **Rs. 78.00 crore** for the year 2017-18, the nominal rolls in BM-10 is enclosed under head 2210-Medical & Public Health, 05-Medical Education, Training & Research-105 Allopathy, Sub head-78-Establishment of Kalpana Chawla Govt. Medical College, Karnal (PLAN).

The aim of Kalpana Chawla Govt. Medical College, Karnal is to provide medical facilities to patients/public. At present there are average 2500 to 3000 OPD patient per day are getting medical and free medicines facilities. As well as 280-300 indoor patients are getting the same facilities. After the take over the new building proposed to be shifted in the month of Nov. 2016, the OPD and IPD patients are likely to be increased substantially. The funds are to be borne by the State Govt. through consolidated fund of the state in the shape of budget allotment.

The breakup of Budget provision required under various primary units for the establishment of Kalpana Chawla Govt. Medical College, Karnal for the financial year 2017-18 is as under:

6. 2210-05-105-84-51 ESTABLISHMENT OF PT. B.D SHARMA UNIVERSITY OF HEALTH SCIENCES, ROHTAK

The Govt. vide its Notification No. Leg 27/2008 dated 2-06-2008 has established and incorporated a University of Health Sciences at Rohtak for the purpose of teaching and affiliating and ensuring proper and systematic instruction, training and research in modern systems of medicine and Indian systems of Medicine and administration of Pt. Bhagwat Dayal Sharma Post Graduate Institute of Medical Sciences, Rohtak and for matters connected therewith or incidental thereto. Since the administration of Pt. Bhagwat Dayal Sharma, PGIIMS, Rohtak has been transferred to the University of Health Sciences, therefore, the demand of budget grant has been estimated Rs.41,447.04 lac (including capital expenditure) for the year 2017-18 as under:

1. **Salary, DA & Wages:** - Rs. 14,165.00 lac

   Total demand of Grant has been estimated to Rs.14,165.00 lac for the year 2017-18. During the year 2015-16 total expenditure incurred was Rs.7,176.25 lac. The demand has been made on the basis of actual calculation of Salaries of staff, Dearness Allowance and Stipend on Form BM-10 as per instruction issued by the Govt. from time to time. Enhancement is due to the creation of 690 posts of Trauma Center and 629 posts of Mother & Child Hospital to make functional these two projects. Moreover the proposal for creation of 85 posts of Staff Nurses and 40 posts of Nursing Sisters has under consideration with the Govt. and the posts are likely to be sanctioned very soon. Government has also created the 201 posts of various categories in University of Health Sciences, Rohtak. Govt. has also implemented the 7th pay commission.

2. **Medical Reimbursement, Travelling Allowance, POL and MoV:** - Rs. 420.00 Lac

   Total demand of Grant has been estimated to Rs.420.00 lac for the year 2017-18. During the year 2015-16 total expenditure incurred was Rs.254.23 lac. The funds
demanded are required for the payment of TA/DA to the staff for official journey and for payment of the faculties for attending the National and Inter National Conferences. Funds are also required for the re-imbursement of the expenditure incurred on treatment of staff and their family members and payment of petrol, diesel and lubricants and maintenance of vehicles. Funds are also required for the purchase of vehicle as University is facing difficulties due to insufficient vehicles in the University. The increase is due to increase in prices of various commodities.

3. **Office Expenses: Rs. 210.00 lac**
   
   Total demand of Grant has been estimated to Rs.210.00 lac for the year 2017-18. During the year 2015-16 total expenditure incurred was Rs.135.39 lac. The funds are required for payment of Telephone Charges, Misc. petty items and stationary items etc.. The increase is due to increase in prices of various items.

4. **Medicine & Consumables: Rs.1,600.00 lac**
   
   Total demand of Grant has been estimated to Rs.1,600.00 lac for the year 2017-18. During the year 2015-16 total expenditure incurred under medicine & consumables was Rs.1,863.05 lac. Funds are required for the disbursement of free medicines to the patients attending Accident & Emergency and OPD/IPD. The increase in demand is due to increase in price of various medicines.

5. **Material & Supply: Rs.1,785.00 Lac.**
   
   Total demand of Grant has been estimated to Rs.1,785.00 lac for the year 2017-18. During the year 2015-16 total expenditure incurred was Rs.1,423.28 lac. The funds are required for the purchase of bandages, disposable syringe, X Ray films and LPG and Medical gases etc. The increase in demand is due to increase in turnover the patients in OPD as well as Accident & Emergency. The increase in demand is due to increase in prices of various items.

6. **Other Charges (Electricity bills): Rs.1,800.00 lac**
   
   Total demand of Grant has been estimated to Rs.1,800 lac for the year 2017-18. During the year 2015-16 total expenditure incurred was Rs.1,168.29 lac. The funds are required for the payment of electricity bills, purchase of library books and journals and re-imbursement of Learning Resources allowances etc.. The increase in demand is due to increase in electricity charges.

7. **Leave Travel Concession: Rs.302 Lac.**
   
   Total demand of Grant has been estimated to Rs.302 lac for the year 2017-18. During the year 2015-16 total expenditure incurred was Rs.178.72 lac. The funds are required for the payment of LTC to the employees.

8. **Ex-Gratia: Rs. 390 Lac**
   
   The total demand of Grant has been estimated to Rs.390.00 lac for the year 2016-17. During the year 2014-15 total expenditure incurred was Rs.288.43 lac. The funds are required for the payment of Financial Assistance to the dependent of diseased employees.
9. **Other Misc.: Rs.100 Lac**
   Total demand of Grant has been estimated to Rs.100.00 lac for the year 2017-18. During the year 2015-16 total expenditure incurred was Rs.26.66 lac. The funds are required to meet out unforeseen, emergent nature and inevitable expenditure.

10. **Information Technology: Rs.100 Lac**
    The total demand of Grant has been estimated to Rs.100.00 lac for the year 2016-17. During the year 2015-15 total expenditure incurred was Rs.50.44 lac. Funds are required for implementation of computerization of the institution.

11. **Secret Service Charges: Rs.200 Lac**
    Total demand of Grant has been estimated to Rs.200 lac for the year 2017-18. During the year 2015-16 total expenditure incurred was Rs.146.13 lac. Funds are required for conducting the examination for admission in various courses. Funds are also required for the payment of examiners coming from various Universities & Colleges for conducting practices examinations.

12. **Prize & Award: Rs.20 Lac**
    Total demand of Grant has been estimated to Rs.20 lac for the year 2017-18.

13. **Legal fees to Counsel: Rs.10 Lac**
    Total demand of Grant has been estimated to Rs.10.00 lac for the year 2017-18. During the year 2015-16 total expenditure incurred was Rs.6.70 lac. The funds are required for the payment of hiring of advocate to the University in various court cases.

14. **Research & Development: Rs.20.00 Lac**
    Total demand of Grant has been estimated to Rs.20.00 lac for the year 2017-18.

15. **Hospitality & Entertainment: Rs.5.00 Lac**
    Total demand of Grant has been estimated to Rs.5 lac for the year 2017-18.

16. **Contractual Services: Rs.3,080.00 Lac**
    Total demand of Grant has been estimated to Rs.3,080.00 lac for the year 2017-18. During the year 2015-16 total expenditure incurred was Rs.1729.98 lac. The fund to the tune of Rs.3080.00 lac is required for payment to contractor for outsourcing work of manpower, sanitation, horticulture and security services. The increase in demand is due to increase in DC rate from time to time. Moreover, various upcoming buildings like Trauma Care Center, Mother & Child Hospital, Boys and Girls hostel are also make functional in the coming financial year.

17. **Maintenance of Building: Rs.1,650.00 lac**
    Total demand of Grant has been estimated to Rs.1,650.00 lac for the year 2017-18. During the year 2015-16 total expenditure incurred was Rs.1,235.62 lac. The funds of Rs.2,950.00 lac are required for the maintenance of various existing building as these are very old (more than 50 years). Moreover, the increase in demand is as per policy introduced by Govt. of Haryana, property tax, development charges and
charges of approval of building plan has to be paid to the Municipal Corporation, Rohtak.

18. Machinery & Equipment:- Rs.1,880.00 lac.
Total demand of Grant has been estimated to Rs.1,880.00 lac for the year 2017-18. During the year 2015-16 total expenditure incurred was Rs.1,974.92 lac. The funds are required for purchase of equipments for University of Health Sciences, Rohtak.

Construction Works in
Pt. B. D. Sharma University of Health Sciences, Rohtak (Plan) 2017-18

In this regard, it is submitted that earlier budget allotted to establishment of Pt. B.D. University of Health Sciences Rohtak under the above said Head of accounts but now Director, Pt. B.D. Sharma PGIMS, Rohtak has informed that as per decision taken in the meeting held on 31.10.2016 in the O/o ACS MER it was decided that separate budget has to be submitted for PGIMS, Rohtak and requested to open the separate head for Pt. B. D. Sharma Post Graduate Institute of Medical Sciences, Rohtak under Plan Scheme so that budget may be allocated to PGIMS, Rohtak.
Observations/Recommendations of the Committee

1. The Committee observed the irregularity in respect of faculty and infrastructures of the medical colleges running in the state and due to that students of those colleges have to suffer.

   Therefore, the Committee recommended a regular inspection of the medical colleges will be done by the Department to ensure the availability of all the facilities like faculty, infrastructure etc. as per the Government policy.

2. The Committee observed the lack of awareness about the Ayurvedic institutions running in the state.

   Therefore, the Committee recommended that Department should take the necessary steps to promote the Ayurvedic institutions running in the state.

3. The Committee observed that lots of private hospitals declared themselves as research institutes as well as hospitals without any permission/registration from the Medical Education Department. Haryana.

   Therefore, the Committee recommended a detailed enquiry may be carried out by the department in this regard and report of the same should be submitted to the committee at the earliest.
HEALTH SERVICES AND HARYANA SHEHERI VIKAS PRADHIKARAN (HSVP) DEPARTMENT

Sub: Unconfirmed proceedings of the meeting of the Subject Committee on Education, Technical Education, Vocational Education, Medical Education and Health Services held on 10.01.2018.

1. It is kindly apprised that as per policy of HSVP dated 06.11.1998 (Annexure-I), 50% of the hospital sites provided in an Urban Estate are reserved for Govt. Hospitals and balanced 50% sites are advertised for inviting applications for allotment of such sites. This policy has been revised and circulated vide letter dated 11.08.2016. (Annexure-II). The revised policy envisages that 50% sites earmarked for private hospitals shall be disposed of by way of limited auction.

2. It is apprised that the scheme of Medicity was advertised under the policy dated 06.11.1998 for the first time on 31.03.2002 and the same remained opened upto 01.07.2002. Only one application of Max Health Care India Ltd., New Delhi was received for allotment of 10 acres Hospital site. The application was neither on the prescribed proforma nor earnest money was deposited with the application, therefore, the application was not considered.

3. The second advertisement was issued on 18.08.2002 in which no time limit was prescribed for applying for the super-specialty hospital sites. Again no application was received for the allotment of hospital sites.

4. The scheme was again advertised on 1.2.2004 without any closing date. Applications were invited for allotment of five hospital sites planned in Medi-City measuring 10.0 acres, 7.85 acres, 6.0 acres, 3.50 acres and 3.40 acres. The prescribed rate was Rs. 1.50 Crore per acre. In response to this advertisement, four applications were received from the following applicants:-
   (i) Sh. Harpal Singh, Chairman, Fortis Health Care Ltd., New Delhi.
   (ii) Sh. S. Ashoka Iyer, Chief Group Advisory Services, M/s Apollo Tyres Ltd., Gurgaon.
   (iii) Dr. Kanwal Kishore and Dr. (Mrs.) Shanta Kishore, Sultanate of Oman.
   (iv) Dr. Naresh Trehan, Executive Director, Escorts Heart Institute & Research Centre, New Delhi.

5. Applications of all the four applicants were examined by the screening committee in its meeting held on 09.07.2004. The committee unanimously recommended allotment of entire land measuring 43.0 acres to Dr. Naresh Trehan.

6. In its project report Dr. Trehan had asked to increase in FAR of the site from 1.50 to 2.50. A committee of Chief Controller of Finance, Chief Engineer and Chief
Town Planner, HSVP was constituted to examine the request. The committee recommended variable FAR for different components and accordingly differential rates were charged as per following details:

12. Photocopy of Estate Officer, HSVP, Gurugram, letter dated 07.05.2007 vide which condition regarding free beds was conveyed to the allottee of medicity. (Annexure-VIII)

13. Allotment letter bearing memo No.22601 dated 17.12.2004 regarding allotment of 11.5 acres of land in favour of Fortis Heart & Multi speciality Hospital Mohali for setting up of Hospital in Sector 44, Gurugram. (Annexure-IX)

15. A policy guidelines for providing free treatment to poor patients was circulated vide memo No.A-Pwn-UB-II-08/29630-50 dated 13.08.2008 (Annexure-XI). These guidelines were formulated for ensuring implementation of terms and conditions of allotment to the poor persons or patients and making it mandatory for the hospitals to maintain necessary records and registers thereof.
16. A revised policy guidelines have been attempted and a draft of the same is enclosed (Annexure-XII) for the perusal and comments of the Hon’ble Committee, so that it could be finalized. In the revised policy, the issue of referral is being dis-continue and any eligible person, as defined in the policy, can directly avail the benefit of the free treatment. It is also proposed that a regular agenda item may be included in the monthly meeting Chaired by Deputy Commissioner, pertaining to the review of implementation of the policy parameters.

Policy for allotment of Hospital Sites earmarked for Pvt. Parties/other enterprises in Urban Estate Developed by HSVP Through limited auction dated 11.08.2016 (Annexure II)

From
The Chief Administrator,
Haryana Urban Development Authority,
Sector-6, Panchkula.

To
1. All the Administrator(s) HUDA, in the State.
2. All the Estate Officer(s) HUDA, in the State.

Subject: Allotment of hospital sites earmarked for private parties/other entrepreneurs in the Urban Estates developed by HUDA.

This is in partial modification of this office memo no. A-1-90/32463-83 dated 06.11.1998 on the subject cited above.

2. Some times in the past, it was being felt that owing to changed scenario, the allotment process of disposal of hospital sites requires some immediate modifications, so as to make it more transparent and further at par with mode being adopted by other state agencies, like HSIIDC, who have been allotting such sites through auction only. It has also been experienced that in case, open auction is allowed then there is highly probability that the sites will be acquired by businessmen with no experience/expertise in health, but only with a motive of profit. This will also increase the cost of health services.

3. Therefore, after careful consideration it has been decided that hence forthwith, the hospital sites carved out in Urban Estates developed by HUDA shall be disposed of by way of "limited auction". In the process firstly, application from the eligible applicants in accordance with the eligibility criteria laid down in existing policy guidelines bearing memo no. A-1-90/32463-83 dated 06.11.1998 shall be invited through press/public notices. The applications, so received, shall be processed by the existing standing Screening Committee headed by Chief Administrator, HUDA. The applicants found eligible a-vis-a-vis laid down eligibility criteria may only be permitted to participate and submit their bid/e-auction. The highest bidder shall be declared successful.

4. The Chief Administrator, HUDA shall be the final accepting authority in the matter. He shall be authorized to withdraw any site or reject any bid without assigning any reason. In case only single bid is received /only a single applicant qualifies for the bid, the bid shall be straightway rejected and the site shall be re-advertised. If however, single bid is received subsequently also then it will be accepted, provided it is more than the reserve price.
Allotment letter in favour of Dr. Naresh Trehan for setting up mega size project, Medicity in Sector 38, Gurugram dated 29.10.2004 (Annexure-III)

HARYANA URBAN DEVELOPMENT AUTHORITY

It has been decided that initially the land may be allotted in the name of Dr. Naresh Trehan but in the due course, he may be allowed to float a company with himself as major promoter for implementation of this project and the ownership of that project may be allowed to be transferred in favour of the company.

Cost...2.
3. The plot is neither preferential nor special preferential one.

4. In case you refuse to accept this allotment you shall communicate your refusal by a registered letter within 30 days from the date of issue of allotment letter failing which this allotment shall stand cancelled and the earnest money deposited by you shall be forfeited to authority & you shall have no claim to damages.

5. In case you accept this allotment, please send your acceptance by registered post along with an amount of Rs. Nill within 30 days from the date of issue of this allotment letter which together with an amount of Rs. 4,61,25,000.00 paid by you alongwith your application from an earnest money will constitute 25% of the total tentative price. You may pay Rs. 14,99,230.00 toward the interest on payment of 15% cost of the total amount for the delayed period. The said amount shall be paid by within 30 Days from the date of this letter failing which 14% interest will be charged. The amount shall be subject to audit.

6. The balance amount i.e. Rs. 50,25,68,000.00 of the above tentative price, the plot/site can be paid in lump sum without interest within 60 days from the date of issue of allotment letter or in four annual installments with 11% interest. The first installment will fall due after the expiry of one year from the date of allotment. The delay interest @ 14% will be charged. The interest on remaining installments shall accrue from the date of offer of possession.

7. The above rates are inclusive of GRT charges in addition the expenditure incurred on the works carried out in its particular area by HUDA amounting to Rs. 40,000.00 shall also be paid by you in lump sum to HUDA within 30 days from the date of offer of possession.

8. The possession of the site is hereby offered.

9. Each installment shall be remitted to the Estate officer and every such remittance shall be accompanied by a letter showing the full particulars of the site i.e. the number of the plot and sector number to which the payment pertains. In the absence of these particulars the amount remitted shall not deemed to have been received.

10. The above price is tentative to the extent that any enhancement in the cost of land awarded by the competent Authority under the land Acquisition Act shall also be payable proportionately as determined by the authority. The additional price determined shall be paid within thirty days of its demand.

11. In the event of the breach of any other condition of transfer the estate officer may resume the land in accordance with the provision of section 17 of the HUDA act.
12. On payment of 100% of the tentative price of the plot/building you execute the deed of Conveyance in the prescribed form in such manner as may be directed by the Estate Officer. The charges for registration stamp duty will be paid by you.

13. The site/plot shall not be used for any purpose other than that for which it has been allotted in accordance with the plans approved by the competent authority. If you do not use the land for the specified purpose, it will revert to HUDA alongwith the structure, if any.

14. You shall have to pay separately for any construction, material, structures and compound wall existing in your plot at the time of allotment of which compensation has been assessed and paid by the Authority, if you want to make use of the same.

15. You shall have to pay all general and local taxes, rates or cesses imposed on the said buildings by the competent authority.

16. The authority will not be responsible for leveling the uneven sites.

17. You will have to get the final building plan sanctioned within 6 months from the date of issue of this letter and complete the construction of at least 25% of the projected built up area as indicated in the project report and start the facility of hospital within two years of the date of offer of possession. The project shall be completed in all respect in 5 years.

18. The authority reserves itself all mines and minerals whatsoever in or under the said site with all such rights and powers as may be necessary or expedient for the purpose of searching for working obtaining, removing and enjoying the same at all such times and in such manner as the Authority shall think fit, with power to carry out any surface or any underground working, and to let down the surface of all or the part of the said site and to sink pits, erect building, construct lines & generally appropriate and use surface of said site for the purpose of doing all such things and may be convenient or necessary for the full enjoyment of the exceptions and reservations herein contained. Provided that allottees shall be entitled to reserve from the authority such payment for the occupation by the authority of the surface and for the damage done to the surface or building on the said land by such works or workings of letting down as may be agreed upon between the authority and the allottee or failing such agreement as shall be ascertained by reference to arbitration.

19. The Authority may be its officers and servants at all reasonable times and in reasonable manner after 24 hours notice in writing, enter in and upon any part of the said land building erected thereon for the purpose of ascertaining that the allottee has duly performed and observed the conditions to be observed under the Rule/Regulations applicable under the said Act.

Contd....4.
20. The authority shall have right, power and authority at all times to do through its officers or servants all acts and things which may be necessary or expedient for the purpose of enforcing compliance with all or any other of the terms, conditions and reservations imposed and to recover from you first charge upon the said land/building the cost of doing all or any such act and things and all costs incurred in connection with or in any way relating to thereto.

21. All disputes and differences arising out of or in any way touching or concerning this allotment whatsoever shall be referred to the sole arbitration of the Chief Administrator or any other officer appointed by him it will not be an objection to such appointment that the arbitrator so appointed is a Government servant on an officer of the authority that he had to deal with the matter to which this allotment relates and in the course of his duties as such Government servant or officer as the case may be he has expressed his views on all or any of the matters in dispute or difference. The decision of the such arbitrator shall be final and binding on the concerned parties.

22. All payment shall be made by means of a demand draft payable to the Estate Officer, Haryana Urban Development Authority, Gurgaon (Haryana) drawn an any scheduled bank situated at Gurgaon (Haryana).

23. No separate notice will be sent for the payment of yearly installment. However the information regarding the installments, the amount, the due date etc. may be sent as a matter of courtesy.

24. The interest for the delayed period of installment due before or after offering the possession of plot shall be charges @ 14%. The due date of installment means the last day on which the payment falls due.

25. The transfer and bifurcation of land shall not be allowed under any circumstances accordingly the land shall continue to be going to the authority until the entire consideration money together with interest and other amount if any due to the authority on account of sale of such land or building or both is paid. You shall have no right to transfer by way of sale, gift, mortgage or otherwise the plot/building or any right title or interest therein till the full price is paid to the Authority except with the prior permission of the competent authority.

26. The allotment is subject to the provisions of HUDA Act, 1977, rules & Regulation framed thereunder.

27. The Govt. policies and national Health programs like family welfare, immunisation, NMJP etc. shall be implemented as policy guidelines.

Contd.....
28. Regarding request of the recommend/applicant to waive off the
pre-condition to reserve 5% beds free for Economically Weaker Sections, it
has been decided to obtain views of the Health Deptt. on the subject and
follow up action would be taken as per their advice.

29. The control over building shall be exercised through a zoning plan of the site
which shall provide for the building maximum ground coverage, maximum
height FAK, parking area, type of building wall and gate etc. besides
specifying the use of plot. Besides the zoning plan the HJS norms/guidelines
regarding basic requirement for Hospitals shall be applicable.

30. Shops shall not be allowed to be constructed except those specifically
provided in the zoning plan.

31. The components of EDC included in the above rates is for the normal
services provided by HUDA in its sector. If any special infrastructure
facilities are to be provided due to world class standard of the project the
same shall be charged extra.

1. CHIEF ADMINISTRATOR, HUDA, PANCHAYAT.
2. ADMINISTRATOR, HUDA, GURGAON.
Noting portion for allotment of land for Medicity in Sector 38, Gurugram.
(Annexure-IV)

From: Dr. Naresh Trehan & Associates

Subject: Allotment of land for Medicity in Sector 38, Gurgaon.

PUC dated 29.03.2004 has been received from Dr. Naresh Trehan & Associates regarding allotment of land for Medicity in Sector 38, Gurgaon. The party has requested to consider the following:

1. Allotment of entire area earmarked for Medicity by HUDA wherein the internal development shall be carried by us.

2. Treating Medicity a special project by not equating it with other institutional sites generally allotted by the Govt. / HUDA for purposes of achieving FAR and related heights of the buildings including permissible number of basements for parking and other utility services.

3. Allotment of land at rate which may include the components like acquisition of cost of land holding charges, if any.

4. Since internal development will be carried by us and healthcare services in the Medicity will cater to not only to the Gurgaon city but also to the region as a whole, Medicity itself is component of external development charges therefore, external development charges should not be levied/included in the price of the land. the logic is that such regional level services are provided by the State Govt. at heavy costs. Our project will add to the savings of the Govt. on one hand and will also hasten the process of providing such services in the shortest possible time. Thus we are sharing the commitment/responsibility of the State Govt.

5. The project will be implemented in phases and phased programme of construction and development will be submitted to the Govt. after the allotment of land for consideration and approval.

6. Construction at site will be governed by the zoning regulations to be framed in consultation with HUDA keeping in view various components of the project.

7. Since the Medicity will serve the social cause, hence sale/registration fee/stamp fee may also be waived off.

From the above request of the party, issue no. 1, 2 & 6 pertains to this office. As far as issue no. 1 is concerned, it is submitted that the total area of the site is 53.0 acres in which 5 super specialty hospital sites have been provided in an area of 30.75 acres. Rest of the area is under road and other uses. However, if the party intends to take
the complete area of the site, the same is possible by converting the entire area of the Medici in one plot.

As regards the issue no. 2, the request of the party, it is submitted that the matter can be further examined at the finalisation of zoning plan of the site, if the complete chunk of land is taken by the party. However, the zoning plan shall be governed by the HUDA (Erection of Building) Regulations 1979, particularly with reference to ground coverage and FAR.

As regards issue no. 6, the zoning plan of the site can take care of special demand of the party, if any.

Submitted please.

CTP(H)

As discussed previously, new letter from party received yesterday and provide details regarding FAR, Ground Coverage, Height etc. in accordance by the party viz. and presented as per Development Plan/Zoning Plan of Medici/ HUDA Bylaws.

DTP (N)

Sampath
22/4
Subject: Allotment of land for Medicity in Sector 38, Gurgaon.

CTP (H) may kindly refer to his observations on pre-page at NP/58. The copy of the latest reference received from the party is placed at PUC-II wherein following requests have been made:

1. Permissible FAR of 250% of the entire plot of 52 acres.
2. Permission to construct 3 basements.
3. Maximum height of the building should be allowed up to 60 meters.

In this connection it is submitted that the site of Medicity is located in sector-38, Gurgaon. As per the Final Development Plan Gurgaon, the land use sector is residential and public and semi-public. The Medicity is located in the portion earmarked for public and semi public use. As per the provisions of the development plans, the broad uses permitted in this zone include Mini-Secretariat cum Judicial Complex, Jail Police Station and other Institutions, Educational, Medical Institutions and Defence land. As far as FAR, height and ground coverage permitted in the development plan, HUDA Regulations and demand of the party, the following table gives a comparison:

<table>
<thead>
<tr>
<th>Norms</th>
<th>As per Development Plan</th>
<th>As per Regulations/plan</th>
<th>HUDA zoning</th>
<th>Demand of the party</th>
</tr>
</thead>
<tbody>
<tr>
<td>Ground coverage</td>
<td>25%</td>
<td>(1)33% of the area of plot up to 10000 sq. mtrs. 25% of such additional area of the plot above 10000 sq. mtrs.</td>
<td>-</td>
<td></td>
</tr>
<tr>
<td>Height</td>
<td>Not specified</td>
<td>Not specified ≤ 60 M</td>
<td>60 Mtrs.</td>
<td></td>
</tr>
<tr>
<td>FAR</td>
<td>150%</td>
<td>100% / 150%</td>
<td>250%</td>
<td></td>
</tr>
<tr>
<td>Basement</td>
<td>Single level</td>
<td>Twin level</td>
<td>Three level</td>
<td></td>
</tr>
</tbody>
</table>

In view of the special nature of the project of Medicity relaxation in permissible FAR and Height was obtained from the Govt. The FAR permissible is 150% and maximum permissible height is 60 mtrs. Already twin level basement for parking purposes are allowed within the zoned area free from FAR whereas the party has demanded three level basements. It is submitted that so far three level basements have been allowed only in shopping malls planned by HUDA and not in institutional sites.

The party has proposed to construct 60 lakh sq. feet of covered area which equals to 657414 sq. mtrs. The area of the Medicity site is 53 acres or 214491 sq. mtrs. To accommodate the 60 lakh sq. feet covered area on the site of Medicity, the required FAR shall be 260%. The above facts are submitted for kind consideration and further orders in the matter pleased.

CTR (H)

DTP (N)
May kindly see the note of DTP(N) from NP/59 onwards. As is clear from PUC-1 and 2, Dr. Naresh Trehan & Associates have made a request for allotment of entire land of Medicity which is approximately 52 acres and have also raised certain issues of technical nature as well financial, relating to cost of land. It is not clear whether Dr. Naresh Trehan & Associates who propose to set up this Rs. 580 Crore project under a registered company or is a partnership firm as no balance sheet has been enclosed. Present comments are only relating to technical issues raised by the party.

First issue is relating to allotment of total land which is approximately 52 acre. Initially out of this area a number of plots were carved out for hospitals and thus the saleable area was only 32 acres. Now it will increase to entire 52 acres. The decision is to be taken at Government level for allotment of this entire land to the party.

The basic issue is regarding FAR i.e. what FAR is to be given to the party. The party has requested for a FAR of 250%. The requirement of covered space given in the project report submitted by the party can be accommodated on the present site of medicity if a FAR of 260% is achieved.

As per the present zoning plan of medicity, FAR of 150% is permitted. Therefore on a reduced saleable area of 32 acre, the total covered area on all the floor works out to 20,90,880 sq. ft. However with increased site (52 acre) and increased FAR of 250% this will become 57, 71,700 sq. ft i.e. it will increase by 36, 80,820 sq. ft. The increase is therefore would be of about 150% of the original FAR.

This means much more intensive use of the medicity land and will affect traffic, increase the load on services like water supply, sewerage and electricity etc. and will have to be catered by
augmenting external services. Whether it would be possible to do at this stage may be got confirmed from CE HUDA.

So far as traffic is concerned, this being an international level project, traffic on all connecting roads i.e. from Airport and Delhi to medicity (2) from Alwar to medicity (3) from Jaipur to medicity and (4) from Faridabad to Medicity will increase. All these linkages will have to be strengthened in such a way that there are no traffic bottle necks on these roads.

So far as link from International Airport is concerned National Highway Authority of India is already doing the needful. For other roads, the links shown on the plan in orange colour will have to be strengthened along with appropriate road junctions at point A and B as shown on the enclosed development plan.

Once the government decide that a project of this nature is to be set up here then increase in FAR can be considered subject to the condition that traffic measure suggested above are ensured as a pre condition to increase the FAR. Otherwise this will create serious chaos on the roads and it will create great inconveniences to the local residents. For this existing zoning plan will have to be amended.

In a similar manner the request of the party to have triple basement can also be considered by amending the zoning plan provided it satisfies the structural and safety requirements. However, these basements should be used for parking purpose only.

Although party has not stated anything regarding their requirement of ground coverage but looking at intensive utilization proposed for the land ground coverage should not exceed more than 30% of the total plot area. This can also be incorporated in the zoning plan at the time of sanctioning of the project. So far as other technical
Discussed with CA (HRD). It was decided that all concerned officers with the project like CE, CCF and CTP (HUDA) may jointly evaluate the project and submit comprehensive recommendation to CA (HRD) after evaluating all aspects of the case.

Accordingly a committee of these officers, CE, CCF & CTP (HUDA) has been constituted. You are therefore requested to attend meeting on 5-5-2004 and give your views in the matter.

CCF

CE
Subject: Minutes of the meeting held on 05.05.2004 to discuss the proposal submitted by Dr. Naresh Trehan and Associates for setting up of medical city at Gurgaon.

Following were present:
1) Sh. R.C. Taneja, CE, HUDA
2) Shri S.C. Kinsal, CCF HUDA
3) Shri Sanjai B. Verma, CTP HUDA

The scheme of medical city at Gurgaon was floated for the first time on 31.3.2002 by HUDA. In response to the advertisement, Ms. Hitech Heart Hospital and Research Institute Pvt. Ltd., New Delhi applied for allotment of site of super specialty hospital measuring 3.5 acres in medical city Gurgaon with application dated 1.7.2002 along with the earnest money of Rs. 52,50,000/- only. The application was processed and the allotment letter was issued by the Estate Officer HUDA on 27.1.2003. However, subsequently the party backed out and surrendered the site within 30 days from the date of allotment. The earnest money deposited by the party has already been refunded. Thereafter the scheme was again floated on 1.2.2004 without any closing date. The present application submitted by Dr. Naresh Trehan & Associates is the only application received in response to the fresh flotation of the scheme. In the medical city in sector 38, Gurgaon, there is a provision of five sites for setting up of super specialty hospitals. The present application is with regard to allotment of the entire land and not for any specific plot. The medical city project was envisaged not only to provide a city level facility but to create infrastructure in the field of medical treatment/research of national and international importance. The present application is being examined in that light with the main focus on hospital related activities.

In the light of above observation, the proposal submitted by Dr. Naresh Trehan & Associates was studied and discussed in detail. Following observations were made...
by the committee for submission to the CA, HUDA:

A) As per application submitted by the applicant it is not clear who has signed the application and what is the locus standi of the authorized signatory. Even the name of signatory and his designation/position is not clear from the application placed at PUC-1 and 2.

B) It is not clear whether it is constituted under the Companies Act or it is partnership firm and what are the Articles of Association of the company and its constitution. Details regarding the activities of the company, its scope and scale of operation, past experience in hospital/medical education projects, role of Dr. Trenan including their balance sheet etc. are not provided. Party may be asked to provide the same.

C) Party has requested for allotment of 53 acres of land designated as mediacity in sector 38, Gurgaon. Party has also requested for certain concessions regarding price of land, FAR, permissible height of the building, basement for parking and other utility services including residential accommodation. Party has submitted a project report which is enclosed and has been studied by members of the committee. The request of the party as well as comments of the committee on the request is as under:

1) To consider mediacity as a component of external development charges and that external development charges should not be included in the price of land.

The detailed project framed for calculation of EDC which has approval of the Govt. does not include basic scope of the work in it. EDC proposed to carry out the works as required for the general public whereas this is super specialty hospital to serve the need of not only of the country but of the sub-continent and is going to be run on commercial basis. There provision for construction of city level hospitals in the EDC for Gurgaon city for which the land stands earmarked at different places and the work...
of construction of hospital as per requirement of EDC project has been taken. Hence
this request of the applicant cannot be considered.

2) Allotment of entire area earmarked for medicity wherein the internal
development shall be carried out by the company.

It may be clarified here that actual area for allotment is not 53 acres but the
area is 48.5 acre after excluding the area under peripheral road. Looking at the scale
and scope of the project, the committee suggests that this request of the party can be
considered subject to justification of the land requirement as per project report
submitted by them. However the committee strongly feels that the space for hotel and
commercial area should not be agreed to on allotment basis. As per HUDA policy it is
given by auction only. It was agreed that space for commercial be reserved by HUDA
to be disposed of later as per its policy of auction only. So far as construction of
houses is concerned only essential accommodation for staff to the extent of 10 to 15%
of the constructed area of the hospital can be considered inside the medicity for
balance requirements, if any, the party may apply separately as per rules and
regulations of HUDA.

3) Party is asking for floor area ratio of 1:2.5 (FSI=250).

The committee feels that looking at the project submitted by the party, Floor
Space Index of 250 for key areas i.e. main hospital and medical education component
only, as done earlier also by HUDA in case IT Projects, can be considered. So far as
other areas are concerned like support area, residential component etc. standard
policy of HUDA should apply. According to this following spaces have been assessed
within medicity for various components including circulation area.

<table>
<thead>
<tr>
<th></th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>a) Hospital and medical education</td>
<td>25 acres</td>
<td>2.50</td>
</tr>
<tr>
<td>b) Support area</td>
<td>5 acres</td>
<td>1.50</td>
</tr>
<tr>
<td>c) Guest House</td>
<td>6 acres</td>
<td>1.75</td>
</tr>
<tr>
<td>d) Residential accommodation</td>
<td>7 acres</td>
<td>1.75</td>
</tr>
</tbody>
</table>
4) Allotment of land at a rate which may include components like cost of acquisition of land plus cost of land holding charges or any.

The hospital sites in the MediCity at FAR of 1.5 were advertised at the rate of Rs.1.5 crores per acre. The request of the party to allot land at the cost of acquisition plus holding cost cannot be accepted as the relaxation in the cost of different components of development works which are essential for development of this area is not advisable. Moreover Govt charges like conversion charges, service charges, licence fee and infrastructural developmental charges are also recoverable. According to the utilization of space mentioned on page, the rates at 2.5 FAR works out to Rs. 1.68 crores per acre, at 1.5 FAR 1.08 crores per acre and for residential purpose at 1.75 FAR it works out to Rs.1.57 crores per acre which are inclusive of Govt. charges. In addition expenditure incurred on the works carried out in this particular area amounting to Rs.40 lacs will also have to be paid by the party. Enhanced compensation if any awarded by the court shall also be charged extra.

5) Height of the building should be allowed upto 60 mts. and permission to construct 3 basements.

The committee feels that looking at the nature of the project, 3 basements can be considered for the buildings where 250% FAR has been achieved. However, this should be used only for parking and non-hazardous activities ancillary to hospital. For rest of the area, 2 basements may be permitted as permitted in other areas of HUDA. However, height can be permitted up to 60 mts as permitted in commercial buildings at Gurgaon.

The application of Dr. Naresh Trehan & Associates has been received in response to the advertisement issued in the newspapers regarding MediCity. Therefore all conditions including conditions of social obligations to the public shall be applicable in this case also which the party has not mentioned.

(S. B. Verma)  (B.C. Kania)  (R. C. Tarnia)

Submitted to Panel and further necessary action taken.

QA Charges: The estimates shall include charges and given analysis at the individual aspect of the project and costing pattern.
The application for allotment of land for setting up a hospital project received from Dr. Naresh Trehan & Associates may kindly be seen. CA HUDA has appointed a small committee consisting of CTP, CCF and Chief Engineer HUDA to examine the project and report. Their report may kindly be seen. As would be evident from the report, the present application is not in the format in which application was invited for setting up a hospital in the locality in sector 18 Gurgaon. The party has not applied for allotment of any plot; on the contrary they have requested for allotment of the entire land earmarked for the project with higher FAR and at a concessional rate. However considering the fact that this is the only application received at present, this case was examined and the committee has recommended allotment of land keeping the hospital project as the core activity with some supporting facilities as per rate linked up with FAR. It is made clear in this context that no area earmarked for shopping or hotel can be allotted to the party since as per HUDA rule they are put to action only.

Before the case is further examined for allotment of any land, it would be relevant to mention here that the capability of the party to implement the project may be examined because this is a project intended to be of national/international importance and the land earmarked for the same is one of the most prime lands of Gurgaon. The project report mentions Dr. Naresh Trehan as promoter. However, his position in the applicant’s group/firm/company has not been clarified. The application does not mention any detail about the organization barring mentioning the career profile of Dr. Naresh Trehan. The report submitted by the sub committee has also mentioned that a report on the position of Dr. Naresh Trehan in the organisation and its financial status/activities with balance sheet may be obtained including the status of the signatory before the case is further considered for allotment. I agree with the observation of the committee.

Govt. may kindly see for further order.

T.C.P.M.

CM
Subject: Allocation of land for Melody in Sector 38, Gurgaon.

CM has seen. Dr. Narinder Tejpal and Shri Sunil Sahdeva had met the CM a few days back and the matter was discussed. They were advised to file application in proper form. It is learnt that now they have processed and examined and the matter should be placed before Haryana Urban Development Authority for consideration.

Yours truly,

[Signature]

18.5.07

P.S. CM
Proceedings and agenda of pradhikaran Meeting held on 01.06.2004 (Annexure-IV)

Item No. A-92(2)

Follow up action taken on the proceedings of the meeting of Haryana Urban Development Authority held on 30.05.2004 at 11.00 A.M. under the Chairmanship of Hon'ble Minister, Town & Country Planning Department/Chairman of the Authority in the Committee Room (4th Floor), Haryana Civil Secretariat, Chandigarh.

Seem. As regards to item No. 5 of 91st meeting, the compliance report from Administrator, HUDA, Gurgaon may be obtained.

Item No. A-92(3)

Allotment of land for Hospital sites in Medicity, Gurgaon.

The proposal contained in the agenda item was approved. However, regarding allotment of land, it was decided that initially the land would be allotted in the name of Dr. T. T. T. T., but in due course he would be allowed to float a company with himself as major promoter for implementation of the project and the land would be transferred to the newly formed company. Regarding waiving off 4% bed free to E.W.S. category, it was decided to obtain the views of the Health Department on the subject and follow up action would be taken as per their advice. For providing other incentives/concessions, the party would be advised to contact the concerned Government Departments.

Item No. A-92(4)

Exchange of land of M/S DLF Universal Ltd. and its associate companies with the land of HUDA in Sector 43 & 43, Gurgaon.

Approved.

Item No. A-92(5)

Regarding provision of zoning plan for Hotel Day sites in City Center, Sector 39, Gurgaon.

Approved.

Item No. A-92(6)

Allotment of Hospital sites earmarked in various sector of urban estate, Gurgaon.

Approved.
Agenda Item No. A-92\textsuperscript{nd} (3)

**Allotment of land for Hospital sites in Medicity Gurgaon.**

HUDA has planned Medicity on 53.0 acres of land in sector-38, Gurgaon. The land is strategically located along Gurgaon-Sohna road near prestigious Institutional sector-32 and Sports complex Gurgaon. There is a provision of five hospital sites in Medicity Gurgaon for setting up of super specialty hospitals.

HUDA had floated the scheme of Medicity at Gurgaon for the first time on 31.3.2002. No application was received in response to the advertisement. Thereafter, the scheme was again floated on 1.2.2004 without any closing date. In response to the advertisement following parties applied for allotment of Hospital sites in Medicity Gurgaon:

2. Sh. S.Ashoka Iyer, Chief Group Advisory Services, M/s Apollo Tyres Ltd, Gurgaon.
3. Dr. Kanwal Kishore and Dr. (Mrs.) Shanta Kishore, Sultanate of Oman.
4. Dr. Naresh Trehan, Executive Director, Escorts Heart Institute & Research Centre, New Delhi.

The above applications were placed before the screening committee in its meeting held on 09.07.2004. All the applicants were invited for the interview and to explain their projects. A copy of the minutes of the meeting of screening committee duly signed by all the members is placed at annexure-1. The committee unanimously recommended that Dr. Naresh Trehan would be the most appropriate person to realize the concept of Medicity at Gurgaon. The committee has recommended that the entire land of Medicity i.e. approximately
43 acres (excluding the area under Hotel, shopping and sector roads) may be earmarked for Dr. Trehan.

Dr. Trehan has submitted a detailed project report for developing MediCity at Gurgaon vide his letter dated 29.3.2004. He has raised certain demands for this project. The committee consisting of Chief Town Planner HUDA, Chief Controller of Finance HUDA and Chief Engineer HUDA has examined the requests of Dr. Trehan. There are five major demands of Dr. Narsh Trehan for the allotment of land at MediCity Gurgaon. The requests of the party as well as the recommendations of the above committee on the request are as under:

1) To consider MediCity as a component of external development charges and that external development charges should not be included in the price of land.

The detailed project framed for calculation of EDC, which has approval of the Govt., does not include this project in its scope of work. EDC proposes to carry out such works as are required for the general public whereas the present case is of super specialty hospital to serve the need of not only of this country but of the sub continent and is going to be run on commercial basis. There is provision for construction of city level hospitals in the EDC for Gurgaon city for which the land stands earmarked at different places and the work of construction of hospital as per requirement of EDC project has been taken. Hence, this request of the applicant cannot be considered.

2) Allotment of entire area earmarked for MediCity wherein the internal development shall be carried out by the company.

The net area available for allotment in MediCity is only 43 out of total 53 acres earmarked for various uses in MediCity. Looking at the scale and scope of the project, the committee has suggested
that this request of the party can be considered subject to justification of the land requirement as per project report submitted by them. However, the committee strongly feels that the space for Hotel and commercial area should not be agreed to on allotment basis. As per HUDA policy, it is given by auction only. It was agreed that space for commercial area be reserved by HUDA to be disposed of later as per its policy of auction only. So far as construction of houses is concerned, only essential accommodation for staff to be employed in the hospital in Medicity to the extent of 10 to 15% of the constructed area of the hospital can be considered inside the Medicity. For balance requirements, if any, the party may apply separately as per rules and regulations of HUDA.

3) Party is asking for floor area ratio of 1:2.5 (FSI=250).

The committee feels that looking at the project submitted by the party, floor Space Index of 250 for key areas i.e. main hospital and medical education component only can be considered, as done earlier also by HUDA in case of 11 Projects. As far as other areas are concerned like support area, residential component etc. standard policy of HUDA should apply. According to this following spaces have been assessed within Medicity for various components including circulation area.

<table>
<thead>
<tr>
<th>Major Components</th>
<th>Area calculated</th>
<th>FAR</th>
</tr>
</thead>
<tbody>
<tr>
<td>a) Hospital and medical education</td>
<td>25 acres</td>
<td>2.50</td>
</tr>
<tr>
<td>b) Support area</td>
<td>5 acres</td>
<td>1.50</td>
</tr>
<tr>
<td>c) Guest House</td>
<td>6 acres</td>
<td>1.75</td>
</tr>
<tr>
<td>d) Residential accommodation</td>
<td>7 acres</td>
<td>1.75</td>
</tr>
<tr>
<td>TOTAL</td>
<td>43 acres</td>
<td></td>
</tr>
</tbody>
</table>
4) Allotment of land at a rate which may include components like cost of acquisition of land plus cost of land holding charges if any.

The hospital sites in the Municipality at FAR of 1.5 were advertised at the rate of Rs.1.50 crores per acres. The request of the party to allot land at the cost of acquisition plus holding cost cannot be accepted, as the relaxation in the cost of different components of development works which are essential for development of this area is not advisable. Moreover, Govt. charges like conversion charges, scrutiny fee and service charges, licence fee and infrastructural developmental charges are also recoverable. According to the utilisation of space mentioned on pre page, the rates at 2.5 FAR works out to Rs.1.65 crores per acre, at 1.5 FAR 1.08 crores per acre and for residential purpose at 1.75 FAR it works out to Rs.1.57 crores per acre which are inclusive of Govt. charges. In addition, expenditure incurred on the works carried out in this particular area amounting to Rs.40 lacs will also have to be paid by the party. Enhanced compensation if any awarded by the court shall also be charged extra. Component of EDC included in the above rates is for normal services provided by HUDA in its sectors. If any special infrastructural facilities are to be provided due to world class standard of the project, the same shall be charged extra.

5) Height of the building should be allowed upto 60 mts and permission to construct three basements.

The committee feels that looking at the nature of the project, 3 basements can be considered for the buildings where 250% FAR has been achieved. However, this should be used only for parking and
non-hazardous activities/ancillary to hospital. For rest of the area, 2
basements may be permitted as permitted in other areas of HUDA.
However, height can be permitted up to 60 mtrs. as permitted in
commercial buildings at Gurgaon.

Besides above, another representation was received from
Dr. Naresh Trehan vide letter dated 14.06.2004 in which few other
requests were made which are listed below:

a) The Medicity project as conceptualized by us, is going to be a
mega sized hospital project, which will include research on
Indian system of Medicine (Unani, Ayurveda, Naturopathy etc.)
and will cover significant portion of Biotechnology and
Pharmaceuticals also. Therefore, it is requested that project
benefits similar to Biotechnology and Information technology
industry should be extended to this project.

b) The proposed investments that is going to be committed by us in
the project shall be to the tune of Rs. 880 crores, so we would
request Govt. of Haryana to allow us 30% discount on the land
rate fixed by HUDA.

c) We would request Govt. of Haryana to consider extending
special incentives / concessions to Medicity project under special
package to prestigious projects (Ref. Haryana Govt. Industrial

d) I would request Govt. of Haryana to allow sale and purchase of
the Medicity land free from stamp duty.

e) As the land is initially being requested for allotment in the name
of the undersigned (Dr. Naresh Trehan) but at the later date
land shall be transferred to company / companies promoted by
the undersigned. I would request Govt. of Haryana to allow such
transfer of land without levying any stamp duty.

The request has been examined and it has been observed that the incentives/concessions asked by the party is not admissible as per HUDA policy. The party may be informed that the allotment will be strictly guided as per the terms and conditions mentioned while floating the project. It may also be indicated that further bifurcation/sale/purchase of the land or part of the land will not be permitted as per HUDA rule as they amount to colonization. Such permission for HUDA land is not accorded. With regard to the discount on the price of the land, the same cannot be considered under the present rules. For providing other incentives/concessions mentioned above, not relating to HUDA, the party will be advised to contact the Industries Department/Revenue Departments.

In the third representation dated 9.7.2004, Dr. Trehan has proposed to set up Internet link and provide tele-consultation at their cost with selected rural locations spanned through out the state of Haryana, instead of providing 5% beds free to economically weaker sections of the society which is one of the condition of allotment of hospital sites in Medicity Gurgaon. The proposal of the party can be considered subject to the approval of the Health Department. Authority may also take a view on this request of Dr. Trehan.

The matter is placed before the Authority for consideration and approval.
Minutes of the meeting of the Screening Committee held on 9.7.2004 to finalize the allotment of plots in Mediclity, Gurgaon.

Meeting was held under the chairmanship of Shri N.C.Wadhwa, IAS, Chief Administrator, HUDA. Following officers were present:

1) Dr. B.S. Daniya, Director General Health Services, Haryana
2) Dr. Prem Verma, IRS Administrator, HUDA, Gurgaon.
3) Shri S.C. Kansal, CCF, HUDA
4) Shri S.B. Verma, CTP HUDA
5) Shri N.S. Banger, Estate Officer, HUDA, Gurgaon

Applications from following were received for allotment of land:

1) Fortis Heart and Multi-speciality Hospital, SAS Nagar, Mahipalpur Darya Ganj New Delhi
2) Nahar Medical Services Pvt. Ltd., Darya Ganj New Delhi
3) Dr. Kamal Kishore, P B No. 224, Al Ahsabah, Sultanate of Oman
4) Dr. Naresh Trehan, B-4, Maharam Bagh New Delhi

Representatives/applicants of above organizations appeared before the Screening Committee and presented their case. The details are as under:

1) Fortis Health care Ltd., Shri Daljit Singh, Chief Executive Operations, appeared on behalf of the organization and explained his position. Fortis intend to set up a multi-speciality hospital over an area of about 50 acres with following components. They have deposited the earnest money of Rs. 7.5 crores.
   a) Medical college campus in 28 acres
   b) Tertiary care super speciality hospital with 10 acres
   c) Bio-sciences park 11 acres

The party did not submit a detailed land utilization map. However, they mentioned that the total project cost would be in the range of Rs. 1000 Crores. It will be partly self-financing or loans from financial institutions. No medical specialist appeared along with the party.
However, they mentioned that they have vast experience in running hospitals as they have units already established at Mohali and Noida. In the already running projects, they have invested about Rs. 300 crores. They are a part of Ramboxy Group.

Dr. Dahiya DGHS asked the party for the benefit to the State of the proposed medical college as well as the experience of the party in running a medical college. No firm answer from the party were received on this account although it was mentioned that they will be governed by the provisions of Medical Council of India.

2. ARTEMIS Medicare:

This organization is a part of M/s Appollo Tyre Ltd (Shri Ronak Singh Group). They were represented by Shri Ashok Iyer and Shri Satish Mahajan from the organization. They have applied for a plot of 10 acres and paid the required earnest money of Rs. 1.5 crores. This company is comparatively new entrant in the Medicare services and this is basically a part of their diversification plan. They intend to start after associating a famous cardiothoracic surgery expert - Ms. Kushagra Katariya from America. They also explained during the interview that the total project shall be established on an area of approximately 35 acres with a total investment of Rs. 120 crores. However initially in phase-1 they intend to start on 10.00 acres piece of land. Party has no experience in running a hospital so far and their project shall be dependent on the doctors hired from the outside and they shall be in the marketing of medicare services. They also did not have any definite plan of health care for EWS people.

3. Dr. Kanwal Kishore: Dr. Kanwal Kishore who is an ENT surgeon of repute appeared before the committee along with his son Dr. Naveen Kishore. Dr. Kishore as well as his family members i.e. their two sons, and their wives are highly qualified in the field of ENT from UK and presently settled in Muscat Oman. Since Dr. Kishore has now retired he plans to return back to India and start a super speciality ENT Hospital in India for which he has requested for 3.4 acres of land at Gurgaon. Dr.
Kishore has paid the required earnest money of Rs. 51 lacs to E.O. Gurgaon.

Being an NRI Dr. Kishore’s representation was forwarded through FIPB New Delhi. DG Health Services Dr. Dehiya highly recommended the speciality offered by Dr. Kishore being of pioneering nature. The total cost of project is approximately Rs. 15 crores which he intends to do with self financing. During the meeting, he provided proof for availability of funds in his name in various banks. Dr. Kishore also committed himself to totally to look after the economically weaker section of the society as per requirement of the advertisement and beyond are concerned.

4. Dr. Naresh Trehan: Dr. Trehan is a well known heart surgeon throughout the world both for his technical and administrative skill reflected in his running of Mrs. Escorts Heart and Research Centre, New Delhi. The project submitted by Dr. Trehan was extremely well thought off and contained all the area requirement for various specialties i.e. he intends to set up there. He also stated that he would be requiring about 50 acres of land for setting of this dream project and is willing to invest about Rs. 850 crores to 1000 crores in this venture. Dr. Trehan has deposited Rs. 4.61 crores as earnest money with the EO HUDA Gurgaon. Dr. Trehan also placed before the committee various initiatives that he has been undertaking with world leaders in the field of medical care and how they were agreed to associate (himself) with his project both technically and financially. DG Health Services requested Dr. Trehan to give details of his commitment to the population of Haryana in the medical field. On this Dr. Trehan explained in detail his concept of medicines and how he has agreed to connect various districts of Haryana with his proposed hospital to provide best possible medical advice of specialized nature to the hospitals located in various districts. Dr. Trehan also mentioned about the latest cutting edge technological in the field of medical science such as use of robotics in operation requiring high precision. He gave the example of robotics operation and how he intends to use this in his proposed hospital. However, Dr. Trehan pointed out that for such a large project freedom of outsourcing and leasing shall be required but at details and
extent of area to be developed through these sources cannot be intimated at this stage. Dr. Trehan has proved his worth by being pioneer in establishing and successfully running the world largest 250 beds tertiary heart care hospital i.e. M/s Escort Hospital New Delhi. It is not out of context to say that even patients from developed countries also come to this hospital for angioplasty, by-pass surgery and other interventional procedures, which is supposed to be the cheapest heart care in the world. Hence technical skills of this group cannot be underestimated.

Looking at the reputation of Dr. Trehan through his work association with M/s Escort Heart and Research Centre and his standing as a world renowned surgeon, detailed project submitted as the proof of the homework in setting up his hospital, committee unanimously recommends that he would be the most appropriate person to realize the concept of Medicity at Gurgaon. It would not only provide medical care in all fields throughout the State/region and international level but his presence would also be a value addition to Gurgaon as a town. Therefore, committee decided to recommend that the entire land of medicity i.e. approximately 43 acre (excluding the area under hotel and shopping) may be earmarked for Dr. Trehan.

Dr. B. S. Dahiya
DG. Health Services, Haryana
Letter written to Health Department for advise on the request of Dr. Naresh Trehan dated 31.08.2004 (Annexure-VI)

The Chief Administrator,
HUDA (Town Planning Wing),
Panchkula.

The Commissioner and Secretary
to Govt., Haryana, Health Deptt.
Chandigarh.

Memo. No. CTP-HUDA/DTP (N)/ 91-82
Dated 31-08-2004

Subject: Allotment of land at Medicity in sector 38, Gurgaon.

The Authority in its 92nd meeting held on 02.08.2004 has decided to allot 43,000 sq. yards of land in Medicity sector 38, Gurgaon to Dr. Naresh Trehan. As per the terms and conditions of advertisement of Medicity, one of the condition was as under:

"The Hospital shall provide 5% beds free to Economically Weaker sections of the society".

Dr. Naresh Trehan has alternatively proposed to set up a hospital and arrange consultation at his own cost with selected rural locations spread throughout state of Haryana, instead of providing 5% beds free to Economically Weaker Sections of the society. The matter was placed before the Authority in the forementioned meeting. The Authority has decided to obtain the views of Health Department on the proposal. The Chairman of the Authority has been requested to give his considered opinion in the matter for taking necessary decision.

Chief Administrator,
HUDA, Panchkula.
Advise of Health Department dated 28.11.2005 (Annexure-VII)

From
Director General Health Services, Haryana

To
Chief Administrator,
HUDA, Panchkula

No. 4 PM-05/8473 dated 22-11-05

Subject: Allotment of land at Medicity in Sector-33, Gurgaon.

In continuation of this office letter No. 4 PM/05/7778 dated 13.10.2005 on the subject cited above.

A land of 43 acres is being allotted to Dr. Naresh Trehan for the establishment of Super Speciality Hospital in Sector-38, Gurgaon. As per the condition laid down for the allotment of the land, at least 5% of the beds will be free to the economically weaker section of the society. Dr. Trehan has submitted his proposal in lieu of the condition, that he will provide Tele Consultation Centers in the selected rural locations in the State. Health department is in the view that the Tele consultation centres in rural locations will not be of much help to the poor persons in the state as compare to the condition of providing free beds to families below poverty line. The Medicity Gurgaon is in the area, which is fast developing & there are sufficient No. of laborers/ lower paid workers whose health status is not up to the desired level. The incidences of illness / diseases are more in such section of the society. Therefore, this section of the society of District Mewat, Gurgaon will be able to avail the super speciality treatment/ consultation provided by them. The government is more concerned about the health of the public in that area. Therefore, the reconsidering the existing health status of public in the area, proposed hospital should provide minimum 10% beds free to Economically Weaker section of the society.

<td>11.5 Acres</td>
<td>At 1.5</td>
<td>Rs. 3552 per Sq. Yds</td>
<td>Rs. 19,77,04,320.00</td>
</tr>
</tbody>
</table>

3. The plot is neither preferential nor special preferential one.

4. In case you refuse to accept this allotment you shall communicate your refusal by a registered letter within 50 days from the date of issue of allotment letter, failing which this allotment shall stand cancelled and the earnest money deposited by you shall be forfeited to authority & you shall have no claim for damages.

Contd...
5. In case you accept this allotment, please send your acceptance by registered post along with an amount of Rs. Nil within 30 days from the date of issue of this allotment letter which together with an amount of Rs. Nil paid by you along with your application from an earnest money will constitute 25% of the total tentative price.

6. The balance amount i.e. Rs. 8,59,58,000.00 of the above tentative price of the plot/site can be paid in lump sum without interest within 60 days from the date of issue of allotment letter or in four annual installments with 11% interest. The first installment will fall due after the expiry of one year from the date of allotment. The delay interest @ 14% will be charged. The interest on remaining installments shall accrue from the date of offer of possession.

The above rates are inclusive of Govt. charges. The FAR be permitted, on the site shall be 150% as per the provision of the advertisement of the site. However, the maximum permissible height of the building shall be 60 Mtr. instead of 30 Mtr. as mentioned in the advertisement.

7. The possession of the site is hereby offered.

8. Each installment shall be remitted to the Estate officer and very such remittance shall be accompanied by a letter showing the full particulars of the site i.e. the number of the plot and sector number to be which the payment pertains. In the absence of these particulars the amount remitted shall not deemed to have been received.

9. The above price is tentative to the extent that any enhancement in the cost of land awarded by the competent Authority under the land Acquisition Act shall also be payable proportionately as determined by the authority. The additional price determined shall be paid within thirty days of its demand.

10. In the event of the breach of any other condition of transfer the Estate Officer may resume the land in accordance with the provision of section 17 of the HUDA act.

11. On payment of 100% of the tentative price of the plot/building you shall execute the deed of Conveyance in the prescribed form in such manner as may be directed by the Estate Officer. The charges for registration and stamp duty will be paid by you.

[Signatures]

Cond...3.
12. The site/plot shall not be used for any purpose other than that for which it has been allotted in accordance with the plans approved by the competent authority. If you do not use the land for the specified purpose, it will revert to HUDA along with the structure, if any.

13. You shall have to pay separately for any construction, material, trees, structures and compound wall existing in your plot at the time of allotment of which compensation has been assessed and paid by the Authority, if you want to make use of the same.

14. You shall have to pay all general and local taxes, rates or cesses imposed or assessed on the said buildings by the competent authority.

15. The authority will not be responsible for leveling the uneven sites.

16. You will have to get the final building plan sanctioned within 6 months from the date of issue of this letter and complete the construction of at least 25% of the projected built up area as indicated in the project report and start the facility of hospital within two years of the date of offer of possession. The project shall be completed in all respects in 5 years.

17. The authority reserves itself all mines and minerals whatsoever in or under the said site with all such rights and powers as may be necessary or expedient for the purpose of searching for working obtaining, removing and enjoying the same at all such times and in such manner as the Authority shall think fit, with power to carry out any surface or any underground working, and to let down the surface of all or part of the said site and to sink, pits erect building, construct lines & generally appropriate and use surface of said site for the purpose of doing all such things and may be convenient or necessary for the full enjoyment of the exceptions and reservations herein contained. Provided that allottee shall be entitled to reserve from the authority such payment for the occupation by the authority of the surface and for the damage done to the surface or building on the said land by such works or workings of letting down as may by agreed upon between the authority and the allottee or failing such agreement as shall be ascertained by reference to arbitration.

18. The authority may be its officers and servants at all reasonable times and in reasonable manner after 24 hours notice in writing, enter in and upon any part of the said land building erected thereon for the purpose of ascertaining that the allottee has duly performed and observed the condition to be observed under the Rule/Regulations applicable under the said Act.

Cont'd...4.
20. The authority shall have right, power and authority at all times to do through its officers or servants all acts and things which may be necessary or expedient for the purpose of enforcing compliance with all or any other of the terms, conditions and reservations imposed and to recover from you as first charge upon the said land/building the cost of doing all or any such act and things and all costs incurred in connection with or in any way relating in thereto.

21. All disputes and differences arising out of or in any way touching or concerning this allotment whatsoever shall be referred to the sole arbitration of the Chief Administrator or any other officer appointed by him. It will not be an objection to such appointment that the arbitrator so appointed is a Government servant on an officer of the authority that he had to deal with the matter to which this allotment relates and in the course of his duties as such Government servant or officer as the case may be, he has expressed his views on all or any of the matters in dispute or difference. The decision of the such arbitrator shall be final and binding on the concerned parties.

22. All payment shall be made by means of a demand draft payable to the Estate Officer, Haryana Urban Development Authority, Gurgaon (Haryana) drawn on any scheduled bank situated at Gurgaon (Haryana).

23. No separate notice will be sent for the payment of yearly instalment. However, the information regarding the instalments, the amount, the due date etc. may be sent as a matter of course.

24. The interest for the delayed period of instalment due before/after offering the possession of plot shall be charges @ 14%. The due date of instalment means the last day on which the payment falls due.

25. The transfer and bifurcation of land shall not be allowed under any circumstances accordingly the land shall continue to be going to the authority until the entire consideration money together with interest and other amount if any due to the authority on account of sale of such land or building or both is paid. You shall have no right to transfer by way of sale, gift, mortgage or otherwise the plot/building or any right title or interest therein till the full price is paid to the Authority except with prior permission of the competent authority.

26. The allotment is subject to the provisions of HUDA Act, 1977, rules & Regulation framed thereunder.

27. The Govt. policies and national health programs like family welfare, immunisation, NMEP etc. shall be implemented as policy guidelines.

Contd......
Regarding the clause No. XI of the advertisement which reads as “subsidized rates @ 30% of the normal charges shall be changed for 20% of functional beds in addition to 20% OPD free from the weaker section of the society”. It has been decided to seek opinion from Director, Health Services, Haryana as done in case of Medicity on the subject and follow up action would be taken as per their advice.

The control over building shall be exercised through a zoning plan of the site which shall provide for the building maximum ground coverage, maximum height FAR, parking area, type of building wall and gate etc. besides specifying the use of plot. Besides the zoning plan the BIS norms/guidelines regarding basic requirement for Hospitals shall be applicable.

Shops shall not be allowed to be constructed except those specifically provided in the zoning plan.

The components of EDC included in the above rates is for the normal services provided by HUDA in its sector, if any, special infrastructure facilities are to be provided due to world class standard of the project the same shall be charged extra.

Preference shall be given to the domiciles of Haryana in the recruitment of medical, para-medical and other class-IV staff while filling the various posts in the facilities depending upon the availability of requisite skills.

Regarding the clause No. X of the advertisement which reads as “one representative each from Health Deptt., HUDA and District Administration shall be taken in the Committee/Board/Managing Affairs/functioning of the Hospital, it has been decided to treat it at par with the decision taken in case of Medicity Project. In case of Medicity this clause reads a “one representative from Health Deptt. shall be taken in the committee/Board, managing the affairs/functioning of the hospital.”
Allotment letter in favour of Artimis Medicare Services Pvt. Ltd Dated 15.02.1996 (Annexure-X)

HARYANA URBAN DEVELOPMENT AUTHORITY

FORM 'C'
(See Regulation 5 (3))

ALLOTMENT LETTER

From

The Estate Officer,
HUDA, Gurgaon

To

Artimis Medicare Services Pvt. Ltd.
C/o Apollo Tyres Ltd., Apollo House,
7 Institutional Area, Sector-32,
Gurgaon – 122 001 (Haryana)

Memo No. 82 dated: 15/2/1996

Sub: Regarding Allotment of 8.30 Acres of Land in favour of Artimis Medicare Services Pvt. Ltd., Gurgaon for setting up of Hospital in Sector-51, Gurgaon.

1. Please refer to your application for the allotment of project of Hospital in Sector 51 Gurgaon.

2. Your application has been considered and land for Hospital as detailed below, has been allotted to you on freehold basis as per the following terms and conditions and subject to the provisions of the HARYANA URBAN DEVELOPMENT AUTHORITY ACT 1977 (hereinafter referred to as the Act) and the rules and regulations applicable thereunder and as amended from time to time. The approximate area of the site and the tentative price of the plot are given below subject to the adjustment in accordance with the actual measurement at the time of delivery of possession.

3. The Plot is neither preferential nor special preferential one.

4. If in case you refuse to accept this allotment you shall communicate your refusal by a registered letter within 30 days from the date of issue of allotment letter, failing which this allotment shall stand cancelled and the earnest money deposited by you shall be forfeited to the authority and you shall have no claim for damages.

Contd...2.
In case you accept this allotment, please send your acceptance by registered post along with an amount of Rs. NIL within 30 days from the date of issue of this allotment letter together with an amount of Rs. NIL paid by you along with your application from an earnest money which will constitute 25% of the total tentative price.

The balance amount i.e. Rs. 12,05,16,000.00 of the above tentative price of the plot/site can be paid in lump sum without interest within 60 days from the date of issue of allotment letter or in 4 annual installments with 11% interest. The first installment will fall due after the expiry of one year from the date of allotment. The delay interest @ 14% will be charged. The interest on remaining installments shall accrue from the date of offer of possession.

The above rates are inclusive of Govt. Charges. The FAR be permitted on the site shall be 150% as per the provisions of the advertisement of the site. However, the maximum permissible height of the building shall be 30 Mtrs. as mentioned in the advertisement.

7. The possession of the site is hereby offered.

8. Each installment shall be remitted to the Estate Officer and every such remittance shall be accompanied by a letter showing the full particulars of the site, i.e. the number of the plot and sector number to which the payment pertains. In the absence of these particulars the amount remitted shall not deemed to have been received.

9. The above price is tentative to the extent that any enhancement in the cost of land awarded by the competent Authority under the Land Acquisition Act shall also be payable proportionately as determined by the Authority. The additional price determined shall be paid within Thirty days of its demand.

10. In the event of the breach of any other condition of transfer the Estate Officer may resume the land in accordance with the provisions of Section 17 of the HUDA Act.

11. On payment of 100% of the tentative price of the plot/building you shall execute the Deed of Conveyance in the prescribed form in such manner as may be directed by the Estate Officer. The charges for Registration and Stamp Duty will be paid by you.

12. The site/plot shall not be used for any purpose other than that for which it has been allotted in accordance with the plans approved by the competent authority. If you do not use the land for the specified purpose, it will revert to HUDA along with the structure, if any.

Contd...
13. You shall have to pay separately for any construction, material, trees, structures and compound wall existing in your plot at the time allotment of whose compensation has been assessed and paid by the Authority, if you want to make use of the same.

14. You shall have to pay all general and local taxes, rates or cesses imposed or assessed on the said buildings by the competent Authority.

15. The Authority will not be responsible for leveling the uneven sites.

16. You will have to get the final building plan sanctioned within 6 months from the date of issue of this letter and complete the construction of at least 25% of the projected built-up area as indicated in the project report and start the facility of the hospital within two years of the date of offer of possession. The project shall be completed in all respects in 5 years.

7. The Authority reserves itself all mines and minerals whatsoever in or under the said site with all such right and powers as may be necessary or expedient for the purpose of searching for working obtaining, removing and enjoying the same at all such times and in such manner as the authority shall think fit, with power to carry out any surface or any underground working, and to let down the surface of all or the part of the said site and to sink, plas, erect building, construct lines and generally appropriate and use surface of the said site for the purpose of doing all such things and may be convenient or necessary for the full enjoyment of the exceptions and reservations herein contained. Provided that Allottee shall be entitled to reserve from the Authority such payment for the occupation by the Authority of the surface and for the damage done to the surface or building on the said land by such works or workings of letting down as maybe agreed upon between the Authority and the Allottee or failing such agreement as shall be ascertained by reference to Arbitration.

18. The Authority may be its officers and servants at all reasonable times and in reasonable manner after 24 hours notice in writing, enter in and upon any part of the said land/building erected thereon for the purpose of ascertaining that the Allottee has duly performed and observed the condition of to be observed under the Rule/Regulations applicable under the said Act.

19. The Authority shall have right, power and authority at all times to do through its officers or servants all acts and things which may be necessary or expedient for the purpose of enforcing compliance with all or any other of the terms and conditions and reservations imposed and to recover from you as first charge upon the said land/buildings the cost of doing all or any such act and things and all costs incurred in connection with or in any other way relating in thereto.

Contd... 4.
20. All disputes and difference arising out of or in any way touching or concerning this allotment whatsoever shall be referred to the sole Arbitration of the Chief Administrator or any other officer appointed by him it will not be an objection to such appointment that the Arbitrator so appointed is a Government servant or an officer of the Authority that he had to deal with the matter to which this allotment relates and in the course of his duties as such Government servant or officer as the case may be he has expressed his views on all or any of the matters in dispute or difference. The decision of such Arbitrator shall be final and binding on the concerned parties.

21. All payment shall be made by means of a demand draft payable to the Estate Officer, Haryana Urban Development Authority, Gurgaon (Haryana) drawn on any scheduled bank situated in Gurgaon (Haryana).

22. No separate notice will be sent for the payment of yearly installment. However the information regarding the installments, the amount, the due date etc. may be sent as a matter of course.

23. The interest for the delayed period of installment due before/after offering the possession of the plot shall be charged @14%. The due date of installment means the last day on which the payment falls due.

24. The transfer and bifurcation of land shall not be allowed under any circumstances accordingly the land shall continue to be going to the Authority until the entire consideration money together with interest and other amount if any due to the Authority on account of sale of such land or building or both is paid. You shall have no right to transfer by way of sale, gift, mortgage or otherwise the plot/building or any right title or interest therein till the full price is paid to the Authority except with the prior permission of the competent Authority.

25. The allotment is subject to the provisions of the HUDA Act, 1977, Rules and Regulations framed thereunder.

26. The Govt. Policies and National Health Programmes like family welfare, immunization, NMCP etc. shall be implemented as policy guidelines.

27. Regarding the clause No. XI of the advertisement which reads as “subsidized rates @ 30% of the normal charges shall be charged for 20% of functional beds in addition to 20% OPD free for the weaker section of the society”. It has been decided to seek opinion from Director, Health Services, Haryana as done in case of Mediocity on the subject and follow up action will be taken as per their advice.

Contd...
28. The control over building shall be exercised through a Zoning plan of the site which shall provide for the building maximum ground coverage, maximum height, F.A.K., parking area, type of building wall and gates etc. besides specifying the use of plot. Besides the Zoning Plan, the BIS Norms/Guidelines regarding basic requirements for Hospital shall be applicable.

29. Shops shall not be allowed to be constructed except those specifically provided in the Zoning Plan.

30. The components of EDC included in the above rates is for the normal services provided by HUDA in its sector, if any, special infrastructure facilities are to be provided due to world class standard of the project the same shall be charged extra.

31. Preference shall be given to the domicile of Haryana in the recruitment of Medical, Para-medical and other class IV staff while filling the various posts in the facilities depending on the availability of requisite skills.

32. Regarding the Clause No. X of the advertisement which reads as “One representative each from Health Department, HUDA and District Administration shall be taken in the Committee/Board/Managing Affairs/Functioning of the hospital”, it has been decided to treat it at par with the decision taken in case of Medicity Project. In case of Medicity this clause reads as “one representative from Health Department shall be taken in the Committee/Board, managing the affairs/Functioning of the hospital.”

Estate Officer,
HUDA, Gurgaon.
POLICY GUIDELINES - PROVIDING FREE TREATMENT TO POOR PATIENTS

1. All IMR Administrators, UHDA in the State
2. All the District Officers, UHDA in the State

Hono Story, Par. 18-44-50-68/90

Subject: Policy Guidelines for rendering free treatment to poor patients and making it mandatory for the Hospitals to render aid to patients not in a position to pay

1. The Chief Administrator, IMR, UHDA in the State
2. The District Officers, IMR, UHDA in the State

The subject matter of the letter was to ensure that all Hospitals in the State provide free treatment to poor patients and that it is mandatory for the Hospitals to render aid to patients not in a position to pay.

2. The following policy procedure is hereby enforced:
   a. Any patient who is unable to pay for medical treatment will be allowed to seek treatment without charge.
   b. The policy of providing free treatment to poor patients will apply to all Hospitals in the State.

The policy procedure is hereby enforced to ensure that all Hospitals in the State provide free treatment to poor patients and that it is mandatory for the Hospitals to render aid to patients not in a position to pay.
REvised Policy Guidelines
Providing Free Treatment to Poor Patients

From:
The Chief Administrator,
Haryana Urban Development Authority,
Panchkula

To:
1. All the Administrators, HUDA in the State
2. All theSbiC/Os, HUDP in the State

Memo No./UB-30/3/2018

Date:

Subject: Revised Policy Guidelines for ensuring implementation of terms and conditions of appointment regarding free treatment to the three persons or patients and making it mandatory for the Hospitals to maintain record and register thereof.

2. Whereas HUDP has been giving Sick leaves in various Hospitals with specific terms and conditions for providing free treatment to poor persons or patients in accordance with the guidelines issued on the subject from time to time. The matter pertaining to providing free treatment to poor persons by the Hospitals which are situated there in HUDA, has been brought to the attention of the Haryana Shishu Vikas Parishad since long. The detailed guide lines for ensuring implementation of terms & conditions of appointment regarding free treatment to the poor persons or patients and making it mandatory for the Hospitals to maintain necessary records and registers thereof were circulated vide letter dated 12.08.2019 after approval of the resolution in its 100th meeting held under the Chairmanship of Chief Minister, Haryana on 11.05.2008. The Haryana Vikas Shiksha Sabha Committee on Education, Technical Education, Vocational Education, Medical Education and Health Services in its meeting held on 10.01.2016 observed that the policy guidelines issued on 12.08.2016 need to be made more simpler and people friendly, so that the benefits of medical facilities provided by private hospitals availing the sites allotted by HUDP could accrue to the poor persons also.

3. Accordingly, the following policy procedure is hereby prescribed:

1. Eligibility
   i. Any person having a PSL card, Class IV employees of Haryana Government or undertakings or any other person having monthly income not exceeding Rs. 5,000/- per month will be entitled as belonging to weaker section of society and would be entitled for treatment as spell out in the policy on the subject.
   ii. The benefit under the policy will be restricted to poor persons of Haryana domicile only.
II Outdoor Patients

The hospital administration of those hospitals which have been allotted sites i.e. HSPV
Sectors or any Urban Estate of Maryland shall provide free services to 20% of the total
out-door patients being attended to by them on first come first serve basis to such
patients.

III Indoor Patients

The hospital administration shall reserve 10% of the beds for free-of-cost to
the members of the weaker sections of the society as detailed above.

IV Super Speciality Hospitals

i. The Super Specialty Hospitals shall charge subsidized rates i.e. 30% of the normal
charges for 20% of the functional beds in addition to providing free OPD services to 20% of
all patients of weaker sections of society as mentioned above.

ii. Any subsidy actually as per eligibility criteria prescribed above would be entitled for
treatment in super specialties hospitals.

V Emergency Treatment

It will be mandatory for the hospital authorities to admit and provide treatment to all
the eligible patients brought to the hospital in emergent situations.

VI Monitoring Committee

i. The following officers shall constitute the Monitoring Committee for ensuring the
implementation of terms and conditions of the policy under reference:
   (a) Administrator, HSPV/Chairperson
   (b) President of District Red Cross Society or his nominee(Member)
   (c) Civil Surgeon of the District (Member)
   (d) Estate Officer, HSPV (Member Secretary).

ii. The Committee shall meet regularly at least once in a quarter to review the
implementation of terms and conditions. The hospital administration shall supply such
information as may be asked by the committee. The Committee shall also send its
recommendations for better implementation of the services to poor patients to the chief
Administrator HSPV from time to time.

iii. The Committee shall also ensure wide publicity of the policy in their respective offices,
all the hospitals and all other appropriate places. The names of the hospitals and super
specialty hospitals on which these guidelines shall be applicable, should be prominently
mentioned in the publicity material.

iv. If the hospital administration shall maintain a separate register for such patients who
have been provided free OPD/indoor beds/ super specialty treatment.

v. The register should be made available for scrutiny from time to time by Administrator
HSPV, Estate Officer, President Red Cross Society or his representative and Civil
Surgeon.

vi. The concerned hospital shall submit monthly report in this behalf to the concerned
District Officer, HSPV by 10th of every month who will further transmit a copy to the
respective administration, HSPV and to the respective Deputy Commissioner for
verification of the implementation of the terms and conditions stipulated in the policy.
4. The Deputy Commissioner of the district will include a regular agenda item in its monthly meeting, referring to ensuring implementation of these policy guidelines. In case of violation of these guidelines, the Estate officer, shall be approached to record the remarks of the visit (in the recommendations of the said Committee) as per SPG rules and regulations.

4. You are, therefore, requested to initiate appropriate steps to ensure the compliance of the policy guidelines in letter and spirit and communicate this policy to all such officials by 31st May, 2020, for strict compliance. You are further requested to share action taken report in compliance of Policy Guidelines by 10th of every month positively to the Chief Administrator, Haryana.

This may be given TOP PRIORITY.

For Chief Administrator
Haryana Election Office, Panchkula

Dated: 10th May, 2020

In bitterness to the above guidelines of RUH regarding selecting the place to provide hospital care, Preference is to be given to doctors in the recruitment of medical, para-medical and other staff while filling various positions in these facilities depending upon the availability of capable skills. Here, we give due preference to doctors in the recruitment of the various positions in RUH depending upon the requirement of qualifications and suitable experience. We do provide preference in recruitment of medical, para-medical and other staff to those who have domicile of Bhatara.

Treatment to any patient covered under the said Policy is any case. Then in cases where an RUH patient is not carrying the required set of documents as mentioned in the DPS policy of RUH and accordingly displayed in the hospital premises in Bhatara from the said parent or never entitled to the hospital the treated patient is charged as per the total bill of the time of discharge and to offer full benefit to such patients.

2. As these private hospitals have no reserved beds for HIV/AIDS patients, if these beds remain vacant during non-healing of HIV/AIDS patients then these vacant beds should be utilized by general category patients and charged as per general category by hospitals, in the same way as percentage paid in HCNR.

3. It is written in the aforementioned guidelines of HMC regarding allotting the allocation of HIV/AIDS patients to private hospitals that preference is to be given to private hospitals in the recruitment of medical, paramedical and other staff while filling the various posts in these hospitals depending upon the availability of relevant skills. Have you been able to figure out that aspect also.

4. Whether any action has been taken for constant compliance of the above-mentioned guidelines of HMC.

5. What action has been taken for the non-compliance of the guidelines whether any reply has been received or not. Supply the copy of reply, if any.

6. In this regard, action will be taken by this office after verification of report.

7. What is the position of implementation of above instructions by the Private Hospitals. Submit the report regarding the same.

8. As per the directions given to Private Hospitals, the 96% to 98% patients have to be given 70% discount, but in reality only 50% discount is given to them. This is the position of present situation. It can be seen in this regard.

Note: These notices have been issued with this office number, No. 1273 dated 27.10.2014 and notice No. 0101/PAM/2018 dated 14.01.2018, dated 04.12.2019 and 15.04.2019.
6. As per the directions given by the Private Hospitals, the BiL/BNS patients have to be given 70% discount but in reality only 30% discount is given to them.

What is the position of those patients who are referred by CMJ but are not able to pay 30% amount? In these cases, any suggestion regarding the same?

Observations/Recommendations of the Committee

1. The Committee observed that Health Department was not fully prepared for the oral examination of the Committee and also the reply submitted to the committee was also not upto the mark.

   Therefore, the Committee recommended that all the reply should be submitted to the Committee only through Additional Chief Secretary/Principal Secretary of the Department with the proper facts and details.

2. The Committee observed the lack of awareness about the policy/facility of free treatment for the BPL/EWS in super-speciality hospitals in the state which has allotted the subsidised land by Haryana Government and due to that the numbers of the patients treated in said hospitals are very less.

   Therefore, Committee recommended that Haryana and Health Department jointly take the necessary steps to aware the residents of the state about the policy/facilities of free treatment for the BPL/EWS in super-speciality hospitals which has allotted the subsidised land by Haryana Government.

3. The Committee observed that display board are not available on the front gate/reception about the term of conditions and facilities for the EWS/BPL patients in private hospitals which has allotted the subsidize land from Government.

   Therefore, the Committee recommended that HSVP Department should ensure that all the hospitals which has allotted the subsidise land from Government should show the term and condition on the front gate/reception through proper size display board along with the detailed chart of number of free patients (OPD/IPD) treated under BPL/EWS category.

4. The Committee observed that the meetings of the Monitoring Committee for ensuring the implementation of terms and conditions for allotment of subsidised land to provide hospitals, which should be held quarterly, are not being held as per the policy of Haryana Government.

   Therefore, the Committee recommended that said meetings of the monitoring Committee should be held quarterly without any fail and a strict action should be taken by the HSVP Department against their officers who is responsible for not holding the meetings in past years as per policy schedule.

5. The Committee strongly recommended that as per the terms and conditions of the HSVP department for allotment of subsidize land to the private hospitals, preference should be given to the domiciles of the Haryana State in recruitment of medical/ paramedical and other class IV employees depending upon the availability of the relative skill set.
