To Set Up Solid Waste Management Plant

*221. SH. RAM NIVAS M.L.A.: Will the Chief Minister be pleased to state whether there is any proposal under consideration of the government to set-up solid waste management system and dumping ground in Narwana city; if so the time by which the above said proposal is likely to be materialized together with the details thereof?

ANIL VIJ, URBAN LOCAL BODIES MINISTER

Yes Sir. The tender for a 330 Ton per day capacity waste to compost/refuse derived fuel cluster for Jind that includes Narwana alongwith Assandh, Kalayat, Uchana, Kaithal, Rajound and Saffion will be floated as soon as the ongoing process of site selection is completed. The scope of this work includes setting up of a sanitary landfill. Also, tenders for bio-remediation of the existing dump site of Narwana will be floated soon.
