11 The Report of the Committee in respect of Excise & Taxation Department is in the following paras

EXCISE & TAXATION DEPARTMENT

Functions of the Department

The Prohibition, Excise and Taxation Department is a major revenue earning Department of the Government. It administers the following Acts:

The Haryana General Sales Tax Act, 1973

The Central Sales Tax Act, 1956

The Punjab Excise Act, 1914

The Punjab Passengers and Goods Taxation Act, 1952

The Punjab Entertainment Duty Act, 1955

The Punjab Entertainment Tax (Cinematograph shows) Act, 1954

2 The main function of the department is to collect revenue under the above mentioned Acts. The major part of revenue to the State comes from Sales Tax and Excise. Since the creation of Haryana State in November 1966, there has been a considerable growth in revenue under all the Acts. In the year 1967-68, the total revenue collected by the Department under all the Acts amounted to Rs. 19.95 crore, which has since grown to Rs. 3805.42 crore during 2000-2001. In the current financial year up to May 2001, the department has collected Rs. 817.89 crore as compared to Rs. 694.24 crore collected during the same period of last year, giving a growth rate of 17.81%.

3 The department collects Sales Tax under the Haryana General Sales Tax Act, 1973 and the Central Sales Tax Act, 1956. The tax is levied and collected on all sales or purchases that take place within the State of Haryana and under the Central Sales Tax Act, 1956, the tax is collected on inter-state sales of goods. The entire amount collected under the Central Sales Tax Act is assigned to the State. During the year 1967-68, an amount of Rs. 9.28 crore was collected under both the Acts, which has since risen to Rs. 2578.45 crore during the year 2000-2001. During the current financial year up to May 2001, an amount of Rs. 538.91 crore has been collected when compared to Rs. 414.65 crore collected during the same period of last year. This gives an increase of 29.97%.

4 Under the Sales Tax Act, every dealer who is liable to pay tax has to obtain a Registration Certificate under the Haryana General Sales Tax Act, 1973 or both the Acts, i.e. HGST Act, 1973 and CST Act, 1956. Every dealer who paid an aggregate amount of Rs. one lac or more as voluntary tax under both the Acts during the preceding financial year is required to pay the voluntary tax monthly within the first 15 days of the succeeding month, except in the case of oil companies who are required to deposit the monthly tax within 30 days of the close of the month for which tax is payable. All other dealers are required to pay quarterly tax along with their returns. The dealers who are required to pay monthly tax have to file quarterly returns enclosing the treasury receipt of the monthly tax paid by them. The returns submitted by the dealers are scrutinised by the appropriate Assessing Authority to frame an assessment for each year after giving statutory notice to the dealers. At the time of framing the assessment, the accounts books are examined by the Assessing Authorities in cases which are not covered by the self-assessment scheme or deemed assessment scheme. The additional demands created as a result of assessment

have to be deposited within a period of 15 to 30 days as mentioned in the notice of demand. In case dealer is aggrieved of the assessment order, he has a right to file an appeal before the Joint Excise and Taxation Commissioner (A) of the respective jurisdiction. Against the orders passed in appeal by Jt ETC the dealer is entitled to file a second appeal before the Sales Tax Tribunal at Chandigarh presided by an officer of the rank Financial Commissioner. The Haryana Government has introduced Self Assessment Scheme which has come into force w.e.f. 1.1.2000. The scheme shall cover the assessment case or cases of all registered dealers having turnover upto Rs. 1 crore with effect from 5.10.2000 vide notification No. G.S.R. 66/H.A.20/73/S.28C/2000 in the relevant year provided that the assessment case or cases for any relevant year after 1998-99 will be covered under the scheme if the tax paid by the assessee in the relevant year is more than 8% compared to immediately preceding year. The limit of Rs. 1 crore or stipulation of 8% increase in tax shall not apply to

(i) a *kacha arhatia* or a registered dealer who has dealt in tax free and/or tax paid goods only or (ii) a registered dealer who has dealt in goods leviable to tax at the stage of last sale or purchase and all sales have been made to registered dealer, within the State without charging tax during the relevant year. However a dealer who has failed to file the sales tax return (s) or has failed to pay the full amount of voluntary tax would not be covered by the scheme. However for the relevant year upto 1998-99 a dealer shall continue to be covered under the scheme even if he has filed the returns late, provided he pays interest at the rate of 2% per month from the date prescribed for filing of returns to the date of payment of tax due according to the returns and Rs. 5 per day for the period of default in filing the returns within 60 days of the commencement of the scheme. The time was later on extended upto 30-4-2000. The returns relating to any relevant year will be examined by the appropriate Assessing Authority with a view to checking the computation of turnover and tax only. In case of any deficiency in payment of tax exceeding ten rupees the same be recoverable from the dealer covered under the scheme by issue of demand notice accompanied with an explanatory note showing clearly the computation of tax liability. The dealer may challenge the same by making an application for rectification to the Assessing Authority within six months of the communication.

5 The assessment orders passed by the Assessing Authorities are also examined by the DETC (Insp.) and Excise and Taxation Officer (Insp.) who constitute the inspection wing in the distt. At present there are 6 Deputy Excise and Taxation Commissioners (Insp.) and 11 E.T.O. (Insp.) in the State. Some of the DETC (Insp.) and Excise & Taxation Officers (Insp.) have been assigned two distts. The main function of these officers is to inspect the assessment files in order to detect under = assessment and other irregularities committed by the Assessing Authorities and to rectify them by initiating *suo moto* action. The orders passed by these officers are appealable to the Tribunal directly as these orders are passed in exercise of powers of the Commissioner conferred upon them under section 40 of the Act.

6 Passengers Tax and Goods Tax are also important sources of Government revenue. Passengers Tax is collected from the stage carriages, Taxies, Tempos etc. which carry passengers on hire. The rate of Passenger Tax, at present, is 60% of the fare. A large amount of passenger tax comes to the State from Haryana Roadways and Transport.

Undertakings of other States There are some private operators also in the State of Haryana. They are paying passenger tax @ 60% of the fare by affixing adhesive stamps on the tickets issued to the passengers. Goods tax is collected from the private and public carriers which are engaged in the business of carrying goods either in connection with their own business or for other on hire. The owners of the private and public carriers have been given the option to pay the goods tax in lump-sum in lieu of the tax payable under the Punjab Passenger and Goods Taxation Act 1952. Those who do not wish to pay the lump sum can pay the same @ 60% of the freight charged by them, *vide* Haryana Government Notification No GSR 51/PA 16/1952/S 22/94 dated 14th July, 1994 permit holders granted permit under the Haryana Government, Transport Department, Notification No S O 90/CA 59/88/S 100/93 dated the 3rd November 1993 for 53/54 seater full body buses and 30 seater Mini Buses shall pay Lump sum Passenger Tax on monthly basis to be calculated on a minimum of 200 kms per day operation and 50% assumed occupancy of the bus has been fixed. The rate of Lump sum Passenger Tax per month shall be as under as amended *vide* Govt notification No GSR 48/PA 16/1952/S 22/96 dated 5th July 1996 –

7 In the year 1967-68 the Department collected an amount of Rs 2.78 crore under the Punjab Passengers and Goods Taxation Act 1952 which has since grown Rs 346.23 crore during the year 2000-2001. During the year 2001-2002 upto May, 2001 an amount of Rs 66.13 crore has been collected against Rs 62.43 crore collected during the same period of last year giving an increase of 5.93%.

8 The Passenger tax collected by the Haryana Roadways is deposited in the Government Treasury by the Roadways Authorities on day to day basis and by the Transport undertakings of neighbouring State on monthly basis. The private operators purchase adhesive stamps of passenger tax in advance from the treasury in the State. The rate of goods tax for private and public carrier registered in Haryana other than national permit holders as amended *vide* Govt Notification No GSR 48/PA 16/1952/S 22/96 dated 5th July 1996 is as under –

- | | |
|----------------------------|-----------------|
| 1 Upto 16.2 tonnes | Rs 3500/- P.A. |
| 2 16.2 tonnes to 25 tonnes | Rs 5000/- P.A. |
| 3 Exceeding 25 tonnes | Rs 10000/- P.A. |

Provided that if a vehicle is carrying load in excess of its loading capacity then, in addition to the existing lump sum the owner shall pay at the rate of Rs 150/ per tonne of such excess load for that particular journey within State of Haryana. Such lump sum payment shall be irrespective of any other law in force w e f 30th October 1996 during 1999-2000 Rs 47.59 crores and during 2000-2001 Rs 45.58 crores were collected.

The national permit holders and the vehicles not registered in the State of Haryana are required to pay Rs 3500/ per annum. The goods tax of vehicles registered in the State of Haryana is directly deposited in the treasury on quarterly basis. Vehicles holding national permits and registered in other States pay the goods tax by demand draft to their Regional Transport Authorities who send the same to Deputy Excise & Taxation Commissioners Ambala, Karnal, Faridabad & Hissar who further deposit the same in the Govt. Treasury. The vehicles which are not registered in the State of Haryana and the vehicles which fail to pay the tax in time pay the same at the Tax Collection Centres opened by the State of Haryana at 38 places in the State. These collection centers are mostly located at the entry points to the State. In order to ensure that passenger tax is not evaded, the officers in the Districts check the buses on the roadsides. Similarly checking is done in respect of private and public carriers and where it is found that they have not deposited the goods tax in time the same is charged with penalty.

9. Govt. has exempted all sports events organised by the organisation throughout the State from the liability to pay Entertainment Duty payable under section 3 of the Punjab Entertainment Act, 1955. Major source of the entertainment duty is cinema houses in the State on which entertainment duty @ 125% of the admission fee is levied and collected. However, on 33% of the seats in front rows of each cinema hall, entertainment duty is levied @ 100%. The entertainment duty is collected by the cinema owners. The cinema owners purchase adhesive stamps of entertainment duty from the treasury and affix the same on each ticket before it is issued. Show tax is levied @ 9% of the entertainment duty and paid into the Govt. Treasury by the cinema owners after every fortnight. However, the Govt. has decided to reduce Entertainment duty to 50% in respect of cinema houses. The tax shall be recoverable in cash instead of by way of adhesive stamps and to 25% in respect of all other Entertainment activities including Amusement Parks and Entertainment Parks. The show tax is being withdrawn. Previously, the rate of admission fee was being fixed by the district Administration, but now the Govt. has decided to leave it to cinema owners to fix the rates of admission charges under intimation to the district Administration. All these concessions shall begin w e f 1st July 2001. In the year 1967-68, an amount of Rs 0.57 crore was collected as entertainment duty and show tax which has since grown to Rs 10.03 crore during the year 2000-2001. Upto May 2001 of the current financial year Rs 1.17 crore as entertainment duty and show tax has been collected against Rs 1.55 crore collected during the same period of the last year. Deputy Excise & Taxation Commissioner Incharge of each district is designated as the Entertainment Tax Officer for the purpose of administering the provisions of the Punjab Entertainment Duty Act, in his district. Each cinema house in the district assigned to an officer by the district incharge for the purpose of regular checking with a view to curbing the evasion of entertainment duty.

10 Excise revenue constitutes a sizable portion of the State revenue. The major portion of excise revenue comes as license fee from the auction of Country Liquor/Indian Made Foreign Liquor vends and by way of excise duty on the sale of Country Liquor/IMFL. During the year 1999-2000, an amount of Rs. 766.17 crore was collected as excise revenue. During the year 2000-2001, an amount of Rs. 851.17 crore has been collected.

11 The licenses for the sale of Country Liquor/IMFL are sold in open auction every year by Collector, Haryana, in the presence of the Deputy Commissioner and the Deputy Excise and Taxation Commissioner in charge of the District. The quota of Country Liquor and Indian Made Foreign Liquor for each district vend is fixed and announced at the time of auction. All other licenses under the Punjab Excise Act are granted on fixed fee by the Collector, Haryana. The excise administration in the State is supervised by the Collector, who is answerable to the Prohibition, Excise and Taxation Commissioner. In the district, Deputy Excise and Taxation Commissioner (E&T) are responsible for the excise administration in their respective jurisdictions. They are assisted by Excise and Taxation Officers (Excise) and Excise Inspectors. It is the duty of these Officers/Officials to ensure that all the vends in their district function smoothly and unadulterated liquor is sold at the vends. In order to check the purity of the liquor, samples are drawn by these officers, which are checked in the Government Laboratories by the chemical examiners. In case some adulteration is found, Collector imposes penalties.

12 Country Liquor as well as IMFL is obtained by the licensees against duty paid permits from the distilleries. The permits are issued by the Excise and Taxation Officers (Excise) in each district. The manufacture and issue of spirit by the distilleries is done under the supervision of Excise and Taxation Officer (Excise) and Excise Inspectors. The function of the distilleries is regulated by the Collector.

13 While framing the Excise Policy for the year 2001-2002, the Govt. has decided that due to easy availability of molasses, the entire molasses produced by the sugar mills be decontrolled and all the restrictions on import/export of molasses have also been removed.
