10 Achievement of Family Welfare Programme after formation of new Government - Haryana has recorded an appreciable achievement in Family Welfare Programme during the financial year 2014-15 and the Total Fertility Rate (TFR) of the state has come down from 2.3 to 2.2 as per data of Sample Registration System (SRS) 2013 conducted by the Centre. State Haryana also received an award for decrease in Total Fertility Rate (TFR) from 2.3 to 2.2.

The achievement of Family Welfare Programme during the financial year 2014-15 is appreciable with achievement of Tubectomy 92.5 percent, IUCD (intra Uterine Contraceptive Device) including PPIUCD (Post Partum intra Uterine Device) 141.2 percent, PPIUCD insertion 138.3 percent, CC (Condom Contraceptive) 93.4 percent, OP (Oral Pills) 115.3 percent. There is increase in achievement of the above mentioned parameters in Financial Year 2014-15 from Financial Year 2013-14.

PPIUCD insertion achievement is 139.3 percent which is probably second in India indicating that Family Welfare Programme has done a commendable job.

The number of ACP cases of regular Multi Purpose Health Worker (Female) solved 526

11 Recruitment /Regularization of Employees

- Recruitment of Doctors

To mitigate the shortage of Doctors in the State Govt has taken the post of medical officers out of the preview of Haryana Public Services Commission and then the recruitment was handed over to Department of High Powered Selection Committee after 2008. Since then around 24 rounds of recruitment have been made. In spite of all these efforts the shortage could not be completely made. The reason is that around 250 posts belonging to SC category remains vacant due to non-availability of the candidates under this category in the State. This is in spite of the fact that special drive for SC recruitment were done in December 2013 and 2014. The SC of other State cannot be considered against these posts because reservation is a State subject nor we can de reserve these posts because it is not allowed by the law. The status of recruitment in last few years is as under

Year	Posts of Medical Officers Advertised
2013	434
2014	504
2015	761

- Regularization of Employees -

As on today there is no matter pending for regularization of the adhoc employees however during the year 2014 in the previous reign number of employees of different groups were regularized

- 1) Group B = 12
- 2) Group 'C' = 156
- 3) Group 'D' = 5

However the Government decided to give following preference to the adhoc employees of Health Department working under the schemes like RCH/NRHC at the time of recruitment for regular posts by Haryana Staff Selection Commission

- i) Relaxation in age up to the 5 years and
- ii) 20% weight age at the time of the interview

12 Enhancement/Salary/Honorarium of Employees of various categories under Health Department/NHM/Aids Control Society

There is no proposal for giving enhancement in the salary to the employees of Health Department however doctors working in district Mewat are being given @Rs 10 000/ for simple MBBS doctor and Rs 25 000/ for specialist degree holder doctor under NRHM letter no 1/761/NRHM/A4/2010/15639 dated 30 12 2010
