10 Structure, Functions and Mission of department -

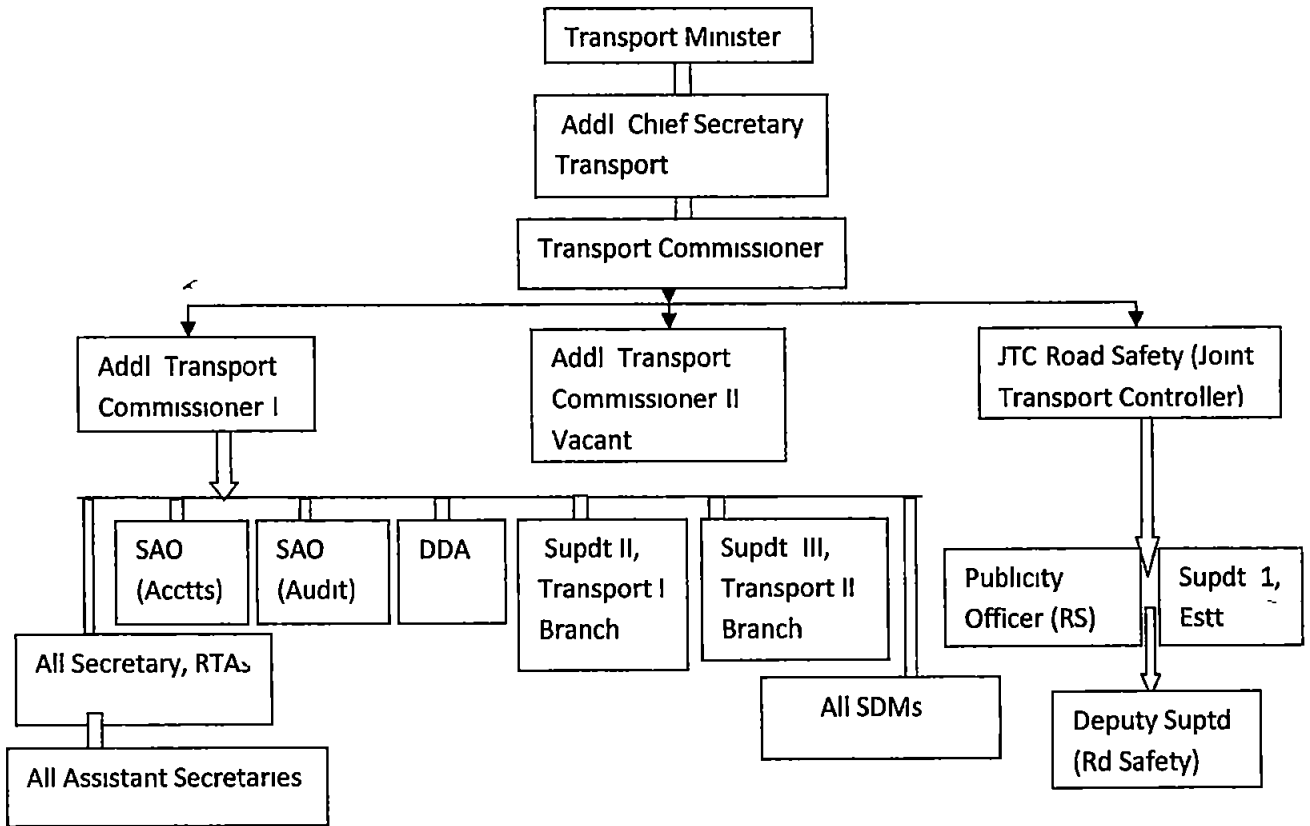

Prior to 2003 the Transport Department performed both the regulatory functions and commercial functions of providing stage carriage services. It was bifurcated into two separate departments in 2003 i.e. the Commercial Wing which operates the Haryana Roadways (under Director General State Transport) and the Regulatory Wing (under Transport Commissioner) which is concerned with enforcement of various provisions of the Motor Vehicles Act 1988 and related Acts and Rules/Regulations made there under. The functions, staffing pattern and heads of these two wings are separate and distinct. The recruitment and service conditions for both the wings have been differentiated after bifurcation in the Month of May 2018 into two independent wings. The service rules for this wing are yet to be framed and notified. The Regulatory Wing of the Transport Department performs the functions of a Motor Vehicles Department as envisaged in section 213 of Motor Vehicle Act 1988.

The structure of the regulatory wing had been different at different times. SDO(C) have been performing the work of registration of motor vehicles and

issue of driving licences / conductor licences since inception of the State in respect of personal vehicles. The RTAs have been performing rest of the functions under the Motor Vehicle Act 1988. There were only four regions in the State with 4 RTAs till 1989 which was increased to six regions in 1990 with 6 RTAs. In 1996 the work was transferred to all the SDO (Civil)s. Again in 1997 ten regions were formed with 10 RTAs and in 2001 each district was made a region under 19 DTOs. In 2006 the work was once again transferred to SDO (Civil)s. In 2007 all districts have been made a region each with 21 RTAs. At present 22 Secretary RTAs have posted in each district who are looking after the work of their respective district. Presently the Secretary RTAs have been appointed as Registering & Licensing Authorities in respect of transport vehicles and 74 SDO(Civil)s are functioning as Registering & Licensing Authorities in respect of non transport vehicles.
