To Supply Canal Water For Drinking

776. SH. PIRTHI SINGH, M.L.A.: Will the Minister of State for Public Health Engineering be pleased to state:-

- a) whether it is a fact that the water of tubewells installed at water works in village Kharal in Narwana is not fit for drinking; and
- b) whether it is also a fact that the rivulet supplying canal water to the above said water works is damaged; if so, whether there is any proposal under consideration of the Government to supply canal water to abovesaid water works through under ground pipeline togetherwith the time by which the above said proposal is likely to be materialized ?
