

Construction of Fly Overs

46. SH. SITA RAM YADAV, M.L.A. : Will the PW (B&R) Minister be pleased to state whether there is any proposal under consideration of the Government to construct the fly over on Ateli – Kanina Railway crossing in Kanina; if so, the time by which it is likely to be constructed?

DUSHYANT CHAUTALA, DY. CHIEF MINISTER, HARYANA

No, Sir.

UNSTARRED ASSEMBLY QUESTION NO. 46
RAISED BY SH. SITA RAM YADAV, M.L.A

Note for Pad

The Hon'ble CM of Haryana announced construction of this ROB on 16.02.2020 at public rally at village Dongra Ahir in Mahendargarh District. Ateli Kanina Road (MDR-124) crosses Rewari Sadalpur Railway Line at level crossing No LC 87 at Km 117/1-2 of this Railway line. The Train Vehicle Units (TVUs) at this level crossing are 103370. The joint feasibility survey along with Railway officers has already been carried out. The construction ROB has been found to be feasible. The Railways has pointed out that the work would be carried out on deposit basis. Since TVUs are more than 1 lakh the matter is being taken up with Railways for cost sharing as per their policy. Since DPR and General arrangement Drawings are yet to be prepared therefore reply of this assembly question has been given as negative till the estimate is prepared and administrative approval is received.

has announced in the public rally held at village Dongra Ahir in Mohindergarh District on 16.02.2020 to construct ROB at LC C-87 crossing Kanina Ateli road. Total TVU at this level crossing is 103370. This level crossing has been found feasible for construction of ROB on the deposit basis i.e. total cost will have to be borne by State Govt.
