After examine the reply and conduct the oral examination of the departmental representative the Committee was not satisfied with the reply as the department not completed the backlog of the compensation in old cases inspite of making the correspondence again and again. On the pendency of the matters of the compensation to be granted to the aggrieved person of the reserved categories in the matter of atrocities, the Committee made the various objections/recommendations in this regard which are reproduced as under:-

*“The oral examination of the Principal Secretary to Government, Haryana, Welfare of Scheduled Castes & Backward Classes Department was conducted on 5<sup>th</sup> January, 2022 at 12.30 P.M. at Haryana Vidhan Sabha Secretariat, Chandigarh. During the oral examination of the Principal Secretary to Government Haryana in respect of the matter of compensation/relief to be granted to the aggrieved persons of the reserved category in the matter of atrocities was conducted. The reply submitted by the department in details was take up during the oral examination and various questions have been asked and objections have been raised by the Committee to the departmental representatives. The Committee observed that the huge number of pendency of the cases in which the relief is required to be paid so long ago but still not paid. The departmental representatives explained that a portal for apply for subsidy in this regard has been installed since 2018 on the official website and as per portal no case is pending but the some old cases are pending due to not providing the copy of F.I.R., copy of Challan and copy of decision by the concerned police headquarter. The Committee took a serious note in this regard and directed to submit the fresh report upto 1<sup>st</sup> March, 2022 by completing the pendency of the cases. The Principal Secretary assured to the Committee that pending cases will be reviewed on priority basis as well as the prompt action on such matters will be taken and fresh report will be submit upto 1.3.2022 to the Committee.*

*During such oral examination the Committee also observed that the fruitful result in granting the compensation/relief to the aggrieved persons are not receiving due to the shortage of the District Welfare Officers as charges of three or four districts have been given to one District Welfare Officer. Resultantly the District Welfare Officer could not perform properly and pendency of the cases are increasing day by day.*

*The Principal Secretary assured to the Committee that such matters will be reviewed in his department and the Tehsil Welfare Officer will be deputed as District Welfare Officer in near future to meet out the grievances of the Committee so that pendency of the cases will be cleared.”*

The Committee is disappointed to note that the department is failed to furnish the fresh report upto the stipulated period of 01.03.2022 as well as till the finalization/presentation of the present report of the Committee.

On the recommendations of the Committee, vide the letter dated 06.01.2020 the matter was refer to the Advocate General, Haryana & Additional Chief Secretary to Govt. Hence, the officers deny to implement the reservation policy in the appointment on the contract basis of such Law Officers. 1. That in case of the Government not making provision under Article 16(4) by providing the reservation in the recruitment of Law Officers in the office of Advocate General, Haryana in favour of any reserved categories i.e. SC, ST & BC Classes in the matter in question then the purpose of Article 335 of the Constitution will be defeated;
2. that without making the provision of quota in any mode of appointment for the reserved categories, the purpose of formulation of Act/Rule will also be defeated;
3. that there is no debar under the Constitution and reservation policy of the Government to provide the requisite/adequate representation to the categories of Scheduled Castes, Scheduled Tribes and Backward Classes; and
4. that when the Government of India is considering the representation to the Scheduled Castes, Scheduled Tribes and Other Backward Classes categories in the appointment on contract basis, then the State Government should also be initiated to provide the adequate representation to the such categories accordingly.

Therefore, keeping in view of Article 16(4) and Article 335 of the Constitution as well as the decision of Central Government, the committee has recommended that the matter may be referred to the Government to make the provision for reserved categories i.e. Scheduled Castes, Scheduled Tribes and Backward Classes in the appointment of Law Officers in the office of Advocate General, Haryana as per the reservation policy of the Government. The Committee further recommended that the quarter concerned be asked that the post in question which has been advertised be filled up after making the provision of reservation for the afore mentioned reserved categories as per reservation policy of the Government.

The above observation and recommendations were refer to the Government as well as to the Advocate General, Haryana vide letter dated 06.01.2020 but till date no any response has been received from the quarters concerned. Such matter was again discussed by Committee in its meeting held on dated 17.02.2022 and Committee decided that an another communication be made with the quarter concerned to achieve the purpose of the Committee to provide the proper representation to the candidates of the reserved categories in the appointment which are being made on contract basis in the state. - ii) *Setting up of Internal Grievance Redressal Committee at work place for the persons belonging to Scheduled Castes community.*
- iii) *To examine the issue of promotion of SC candidates to the post of Deputy Superintendent.*

*In this regard I am desired to inform you that the officials sitting since long on the seats have been changed and an Internal Grievance Redressal Committee at work place for the persons belonging to Scheduled Castes Community has also been constituted (copy enclosed). Further to examine the issued of promotion to SC Candidates to the post of Dy. Supdt., the Hon'ble Vice-Chancellor, KUK has constituted a Committee consisting of (i) Prof. Anil Kumar Vashishth, Dean Students' Welfare (ii) Prof. Sanjeev Aggarwal, Dept. of Physics (iii) Prof. Amit Ludri, Deptt. of*

Law (iv) Dr. Mahavir Ranga, Associate Professor, Department of law to examine the following points in detail:

- i In the documents 7 posts of Dy. Supdt. have been filled from general category. As per rule, 20% posts of SC category should have been filled whereas no post has actually been filled from the SC Category.
- ii The issue of not giving promotion to SC employees for the post of Dy. Supdt. has been kept pending since when and who are responsible for this.
- iii The posts of Assistants have not been shown in the documents submitted by the University. The reason for the same be found out.

The Committee examined the matter under reference and submitted its report on 22.12.2021. The point-wise recommendation of the Committee duly approved by the Hon'ble Vice- Chancellor are as under:-

**Point. No. (i)**

There were 8 posts of Deputy Superintendent in the university. At present, 7 posts are filled and all are from General Category. No post of SC category was filled up in the light of letter dated 09.06.2015 of Government of Haryana as the consequential seniority for promotion to SC category was stayed by the Hon'ble Punjab & Haryana High Court. University followed feeder cadre seniority list of clerks and promoted 8 officials on the post of Deputy Superintendent after 09.06.2015. After perusing the files/record, it is crystal clear that the university followed the letter of the State Government dated 09.06.2015 in letter and spirit and could not implement the 20% reservation for SC Category for promotion to Deputy Superintendent; it might be due to pendency of Balbir Singh case at that time & further some interlocutory applications were pending in the Supreme Court of India. From 8 posts of Deputy Superintendent, 2 posts, as per roster of reservation, could be kept vacant during the period between 25.05.2015 to 10.10.2016.

It is pertinent to mention that number of posts of Deputy Superintendent and Superintendent have not been finalized yet after implementation of New Staff Ratio Scheme of the State Govt. in the university. That is why the question of backlog and number of posts of Deputy Superintendent at present remains unresolved.

**Point No. (ii)**

In pursuance of the Hon'ble Punjab & Haryana High Court Judgment and as per the letter of Government of Haryana dated 09.06.2015 (Supra discussed), the Assistants of SC category were not promoted to the post of Deputy Superintendent under consequential seniority for promotion. There was no illegality or deliberate act on the part of University not to consider them to promote to the post of Deputy Superintendent.

In fact, the University followed feeder cadre seniority list and could not make it possible to promote SCs to the post of deputy Superintendent by following the State Government's instructions as received from time to time. It is pertinent to mention here that the university has given no promotion in any category in Group C including the posts of Deputy Superintendent after 10.10.2016.

In the present matter, nobody can be held responsible as promotions of employees are done through a well-established system of the university under rules of law and regulations of the State Government.

**Point No. (iii)**

*The posts of Assistant have not been shown in the documents submitted by the University as the issue raised was related to the posts of deputy Superintendent not of Assistants."*

The above reply/comments was placed before the Committee in its meeting held on 23.02.2022. The Committee noted the contents of the such reply and decided to kept the pending of such matter as the same could not be considered due to shortage of time to present the such report as the same will be take up in the subsequent meetings. The Committee further decided that the reply of the other Universities will also be take up in the subsequent meetings.

The detail of observations of the Committee and reply thereon of the departmental representative have been explained in the relevant proceeding. Keeping in view of the observation of the Committee as well as unsatisfactorily replies of the departmental representative, the Committee made the some recommendations thereon which have been reproduced as under:-

*“During the oral examination of departmental representative of the Agriculture and Farmers Welfare Department on the matter of utilization of funds of component plan for the welfare of the farmers belonging to the reserved categories was conducted. The Report of the departmental Committee was discussed in detail and the Committee raised various issues in which prima facie showing the irregularities in disbursement of an amount of subsidy to the farmers of SC category for providing the agriculture equipments/machinery etc. It was showing in the Report of the Departmental Committee that there are so many cases in which the farmers denied to receive the assistance, wrong mobile number and switched off mobile number of the farmers etc. but in the record of the department these assistance were delivered/provided to the farmers. Similarly, in another matter, the Committee was very surprised to see in the departmental report that the subsidy of four tractors was disbursed to the members of the single family of Shri Ishwer Singh, Village Ugra Kheri, District Panipat and when asked to the departmental representatives in this regard, they could not replied upon the objections/ observations of the Committee satisfactorily. The departmental representative also admitted that there are some discrepancies are showing in the Report and assured to the Committee by stating that all the objectionable issues will be verified physically and submit the fresh report up to 31<sup>st</sup> January, 2022 positively. The Committee was not agree with the proposal of the department by stating that once the verification has already been made by the departmental Committee and now so long time has already been lapsed and the short period in term of the Committee is left, therefore, the committee is unable to give more time for again for physical verification on such same issue. The Committee also raised the objection by stating to the departmental representative that as the departmental Report was completed in the month of August, 2021 then why the departmental action not taken against the responsible officers/officials. The departmental representatives replied that they are seeking explanation of the responsible Officer/officials but the Committee was not satisfied with such non-effective action of the department. The Committee took a serious note on the irregularities caused by the officers of the department and directed to the departmental representative to conduct the enquiry in the matter and submit the enquiry report alongwith action taken report against the responsible officers/officials to the Committee upto 31<sup>st</sup> January, 2022, positively. The Committee also observed that the criminal proceeding may be initiate against the responsible officers/officials.*

*The Committee also discussed on the Consolidated budget on component plans provided by the department vide annexure 8. The Committee raised the objection on those schemes which have been either closed or merged with another relevant scheme are showing unnecessarily. The departmental representative was agreed with the contention of the Committee and assured that the matter of budget on component plan will also be reviewed and amended statement of budget will be provided alongwith the above report.*

*The Committee also raised the issue of utilization/non utilization of budget for the welfare of SC farmers by stating that as per the budget of component plan provided by the Central and State Government, a sufficient fund/budget for the welfare of the farmers of the reserved categories is being*

*provided but due to lack of strength of SC farmers the complete quota of the budget is not utilizing for the welfare of SC categories farmers, resultantly maximum part of the budget is going to lapse. The Committee took such matter seriously and asked to the departmental representative to examine such matter deeply and to avoid to lapse of budget, formulate such kind of policies/schemes favorable to the farmers of SC category for proper utilization of the fund/budget in all the schemes. The departmental representative assured the Committee by stating that while review of all the available schemes for the welfare of the farmers, such valuable observations/suggestions of the Committee will be kept in view and under the Central/State Governments norms/guidelines, which will be better for the welfare of the farmers of SC category will be made."*

Applications were invited online and offline also. Under SC (Male) category target was 10, against which 24 applications were received. So the beneficiaries were selected through draw of lots by the DLEC under the Chairmanship of

		<p>DC, Panipat. Only 6 farmers were found eligible after verification of documents under this category to whom the benefit was provided.</p> <p>The subsidy to Sh. Vinod, Sh. Bijender and Sh. Sudama was provided under SC (Male) category and to Smt. Roshani Devi under small/marginal (Woman) Category.</p> <p>However, Sh. Vinod, Sh. Bijender, Smt. Roshani Devi and Sh. Sudama resident of village Ugra Kheri are in blood relation but they have land and Ration Cards separately and they represent as separate family.</p> <p>But it is right that the AAE-Panipat should have explored the possibility to give the subsidy of tractor to other SC Farmers also. In this context, it is informed that/than the AAE-Panipat and Sh. J.S.Nain, JD (AE) are being charge sheeted.</p>
3.	That Committee observed some discrepancies in the department's report regarding wrong mobile number, switch off mobile numbers.	<p>These discrepancies were re-referred to DDA concerned (a step higher than the re-verification committee) vide letter no. 191-195, dated 24.01.2022</p> <p>(i) In four cases of district Yamunanagar - Karam Singh Village Sadura, Priya Devi village Baharampur, Komal village Dayalgarh and Sandeep village Laharpur admitted that they have attended the Farmer's awareness Camp during 2018-19 the correct mobile number of Karam Singh is 9813024225, Priya Devi is 8221839712, Komal is 7071753552 and Sandeep is 9416277432.</p> <p>(ii) In 7 cases of district Panipat the detail of mobile numbers is as follows:-</p> <p style="padding-left: 40px;">Sh. 		(iv) In one case of district Palwal – correct mobile number has been provided as under  Bijender - 9728660845
4.	The Committee observed that departmental report was completed in the month of August 2021 but department did not take action against the officers/officials responsible for laxity/irregularities in the implementation of schemes. Further the Committee stressed that department may conduct the enquiry in the matter and submit the enquiry report along with action taken against the responsible officers/officials up to 31 <sup>st</sup> Jan. 2022. The Committee also observed that criminal proceedings may be initiated against the responsible officers/officials.	<p>It is to mention that the following officers/officials are being charge sheeted for the delay of the report:-</p> <p>(i) Sh. R.S.Solanki, ADA (Stat.)</p> <p>(ii) Smt. Priyanka Vasistha, A.S.O.</p> <p>(iii) Smt. Sudha Bala, S.A.</p> <p>It is further pertinent to inform that the disciplinary action have been initiated against 3 other officers/officials i.e. Sh. Rakesh Rana, ADO-Kansala (HQ.) including Bakheta Village District Rohtak, Sh. Anil Ahlawat, ADO Baliyana including Sadh Kheri Village District Rohtak, Sh. Gurpreet Singh, ATM looking after village Jagdhauli District Yamuna Nagar who have been found irregular regarding giving the benefits/wrong village name of 3 farmers under their jurisdiction and Sh. Ajit Singh, TA (ATMA) has been charge sheeted from the HQ.</p>
5.	The Committee desired that schemes which are in-active (closed/merged with another) should be removed from Annexure-8.	The consolidated and amended list of the schemes for the benefits of SC Farmers have been revised at <b>(Annexure-A)</b> .
6.	That due to lack of strength of SC farmers, the given quota of the budget is not utilized for the welfare of SC categories farmers; resultantly maximum part of the budget is going to lapse. The Committee took such matters seriously and asked the department to formulate such schemes favorable to the farmers of SC category for proper utilization of the fund/budget in all the schemes.	<p>In this context, the Department is taking up new program-</p> <p>(i) Department implements Centre Govt. Schemes (CRM &amp; SMAM) wherein subsidy is being given to CHCs (80%) and to individual (50%), no extra subsidy is given to SC in CRM, though under SMAM there is a provision of additional 10% over general category. In spite of 10% additional increase to scheduled caste farmers under SMAM the expenditure is almost nil. We suggest that 10% top up be given from State Plan Scheme (SB-89) to SC applicant who applying under CRM &amp; SMAM so that they may be able to purchase straw management implements.</p>

		<p>(ii) To increase income and financial condition of SC farmers, it has been proposed to provide under state scheme (SB-89) Tractor, Trolley, Laser Land leveller, Cultivator, Disk Harrow, Multi Crop Planter/DSR, Seed Drill, Cotton Seed Drill, Tractor Mounted Spray Pump, Rotavator, Straw Reaper, Drone @ 80% subsidy as to individual scheduled caste farmers (including land less) and group of farmers. The group of farmers can establish Custom Hiring Centre with 40% SC member i.e. out of 10, four should be SC members, (may be landless). The subsidy may be capped at 6 lakhs for individual and 12 lakhs for CHCs. However, the project cost is capped 15 lakhs for both.</p> <p>(iii) It has been also proposed to provide subsidy under state scheme (SB-89) to straw management projects like briquette/pallet/fodder making @ 50% subsidy (it may be capped at 50 lakhs) having maximum project cost of Rs. 100 lakhs, for establishment of CHC/Crop Residue Management Projects. The group of farmer/FPOs/Registered Societies should have at least 40% of members from SC category. This can be a credit linked project wherein 25% subsidy may be released upon verification/purchase of equipment and rest 75% after the locking period of 3 years is over. Till then subsidy amount will remain with bank.</p> <p>For the above said purpose a provision amounting to Rs. 50 crore will be made for the next financial year 2022-23.</p>

1	Kaithal	SDAO, ASCO and AAE Kurukshetra
2	Nuh	SDAO, ASCO and AAE Faridabad
3	Panipat	SDAO, ASCO and AAE Karnal

**Subject: Enquiry into the shortcomings/irregularities in the implementation of Departmental schemes for SC farmers.**

1. During the oral examination of ACS and DG, Agriculture on dated 29.12.2021, the Committee of Vidhan Sabha of SC Welfare observed certain shortcomings in the working of the Agriculture Department while giving benefit to the SC beneficiaries under various schemes in question (SMAM, ATMA, NFSM). The Committee further desired that an enquiry may be got conducted by the Department and the report alongwith ATR should be submitted to the Vidhan Sabha Committee before 31.01.2022. Accordingly, the present enquiry report is submitted.
2. The record available at the HQ was called regarding Report of the Departmental Committee submitted on 24.08.2021 and which was submitted in Vidhan Sabha in first week of September 2021 (except Kaithal which was submitted later in December 2021). The observation of the Hon'ble Vidhan Sabha Committee at the time of oral examination of ACS Agriculture and DG Agriculture was also included.
3. As orally directed by ACS Agriculture, a Committee of the adjoining districts (consisting of SDAO, ASCO & AAE) was constituted vide this office letter no. 62-67 dated 05.01.2022 for the re-verification of 21 farmers in 6 districts. These farmers when telephonically contacted, either denied to get the benefit under the schemes or their reply was non-affirmative. The constitution of the committee is placed at **Annexure-1**.
4. Accordingly, the committee of officers from adjoining districts re-verified the observations and objections of these disputed 21 farmers of 6 districts and report was submitted to the Directorate (**Annexure-II**), wherein in 17 cases farmers confirmed the receiving of benefits but qua 4 cases (Sr. No. 17, 18, 19 & 21) of **Annexure-II**, the findings of this committee was not clear, so same was re-referred to DDA concerned (a step higher than this re-verification committee) vide letter dated 24.01.2022 (**Annexure-III**). The concerned DDAs of 5 districts have given their findings (the brief is given at **Annexure-IV**)
5. For these 3 cases the laxity/irregularities have been noticed, for which suitable disciplinary action may be taken by the competent authority:-
  - (i) Sh. Pankaj S/o Sh. Suresh Kumar, V.P.O. Kalawad (Yamunanagar)-his village name was shown as jagdholi
  - (ii) Sh. Suresh S/o Sh. Dharam, V.P.O. Polangi (Rohtak)- his village name was shown as Bakheta and he belongs to Gen. Cat.
  - (iii) Sh. Rajbir S/o Sh. Ratan Singh, V.P.O. Kheri Sadh (Rohtak)-he belongs to Gen. Cat.

The suitable disciplinary action against the staff responsible (Sh. Gurpreet, ATM:  
Sh. Rakesh Rana, ADO, Kansala (HQ) and Sh. Anil Ahlawat, ADO Baliyana) for the lapses may be initiated.
6. During 2018-19, Tractors were provided on subsidy under SMAM Scheme. Applications were invited online and offline also. Under SC (Male) category target was 10. against which 24 applications were received. So the beneficiaries were selected through draw of lots by the DLEC under the Chairmanship of DC, Panipat since no. of application were more than the

target. Only 6 farmers were found eligible after verification of documents under this category to whom the benefit was provided. The re-advertisement for calling application against the vacant target (4) was not adopted due to shortage of time (the draw was conducted late in 03.06.2019 due to MCC of General Parliamentary Election whereas the scheme was closed on 31.03.19. The subsidy to Sh. Vinod, Sh. Bijender and Sh. Sudama was provided under Sc (Male) category and to Smt. Roshani Devi under small/marginal (woman) Category. Though these beneficiaries belonged to same village (Ugrakheri in district Panipat) and are in blood relations but they have land and Ration Card separately and they were considered as separate family by the District level Committee headed by then DC Panipat. But it is right that the AAE- Panipat should have explored the possibility of calling the applications against the vacant target (4) so that benefit may be extended to other SC families also. For this laxity, the explanation of the then AAE-Panipat, Sh. Naveen Hooda (Group-B officers) and Sh. J.S. Nain, JD(AE) at HQ (Group-A officer may be called.

7. I have called the record from the branch on which matter submitted to the Vidhan Sabha Committee was dealt. The file speaks that it has been dealt by the following:-
  - (i) Smt. Sudha Bala, S.A. (ii) Smt. Priyanka Vasistha, A.S.O. (iii) Sh. R.S. Solanki ADA (Stat). As per the practice and need, the file on which report in question has been place/dealt should reach the DG and before sending the findings to the Vidhan Sabha Committee, it should have been approved by the Govt.(ACS Agri.) but this practice was overlooked and the material was directly forwarded to the Vidhan Sabha Secretariat in haste. For this lapse/overlooking, suitable disciplinary action may be considered in the light observation of Hon'ble Vidhan Sabha Committee.

Report is submitted accordingly.

(Rohtash Singh)  
Additional Director Agriculture

The said reply was placed before the Committee in its meeting held on dated 23.02.2022, in which the oral examination of the departmental representative was also conducted. During the oral examination the Committee raised the various objections/observations upon the replies/information furnished by the department. The Committee mainly raised the issue of the allotment of the 4 tractors allotted to the 4 SC farmers belonging to the village Ugra Kheri, Distt. Panipat. Out of 4 tractors 3 tractors under the scheme of SMAM, 2018-19 (SC men category) have been allotted to the 3 brothers namely Vinod, Bijender Singh & Sudama S/o Sh. Ishwar Singh and under the SC women category one tractor to Smt. Roshni Devi W/o Sh. Ishwar Singh R/o village Ugra Kheri, Distt. Panipat who are in blood relation. The departmental representative reply there upon by stating that the process of allotment of machine/equipments to the SC farmers under the SMAM scheme has been made totally in transparent manners. They have further stated that keeping in view of the instruction of the Head of Department, the applications were invited through online on the portal from dated 1<sup>st</sup> March, 2019 to 7<sup>th</sup> March, 2019 as well as through offline also and the process of allotment of tractors was recorded by making the videography of allotment. The concerned AAE has also explained that 24 applications were received under the small farmer SC component plan in which the tractor were to be allotted to the eligible candidates and out of which 20 application were scrutinize for allotment of draw. The tractor were allotted by way of draw of lots in the presence and help of the farmers and to avoid any discrimination in the process of allotment. Total 20 draws were executed out of which 10 for the prescribed quota for tractor and 10 draws were kept in waiting list. After the draw the documents were obtained from all the concerned and after verify the documents only 6 candidates were found eligible out of which 4 candidates were found in blood relation but these were having separate family identification due to that they could not be ignored and resultantly 4 tractors were allotted to them. The Additional Chief Secretary & Director General, Agriculture and Farmer's Welfare Department also explain the process of allotment as explained by the concerned Assistant Agriculture Engineer Sh. Naveen Hooda under whom the supervision the 4 tractors in questions were allotted.

The Committee raised the objection that as the scheme of SMAM in question has been launched in the year of 2015, vide notification dated 23.04.2015, for the welfare for the farmers of SC Categories but the benefit of the scheme has not been granted till the year 2019 and at the verge of the end of the scheme the application were invited online on the portal by giving the very short period i.e. one week only to the illiterate farmers who were neither having awareness nor having any knowledge. The Committee further observed that the such scheme was for the welfare of the SC farmers but by the action of the department it has not been showing that the welfare of the farmers have been considered. The Committee is of the view that when the sufficient number of the application of the eligible candidates not obtained then it was the prime duty of the then concerned officials to reconsider the matter for re-invite the application to provide the proper representation to the farmers of the SC Categories so that the prescribed quota of 10 tractors to the small SC farmers was to be completed but due to such negative attitude of the official of the department the so many candidates of SC farmers have been deprived to get the benefit of such scheme of SMAM. The Committee also raised the objection by stating that first of all the application have been invited on the portal through online and when the favorable persons could not apply through online in time then it was decided to obtain the application through offline and then the application of the favorable persons were taken by "hook and cook" the tractors were allotted to them. Resultantly, by the nexus of the officer/official and the interested farmers, such kind of allotment of tractors was made.

The departmental representative totally deny the allegation/objection of the Committee by stating that it is admitted that the scheme of SMAM was launched in the year of 2015 but in the absence of the budget the scheme could not be publically advertised. The Additional Chief Secretary explained that the budget for the scheme was provided by the finance department on dated **21.02.2019** and on 27.02.2019 the direction to all the Assistant Agriculture Engineer was issued to invite the application through online etc., therefore, there is no any delay in process of the matter has been caused at the level of the department. The Committee was not satisfied with the replies of the departmental representative as they could not explained and justified the reason of allotment of 4 tractor in the blood relation and Committee is the view that its prima facilely irregularities have been caused in such allotment in question. The Committee further recommended that being ensuing Budget Session is commencing from 2<sup>nd</sup> March, 2022, such matter can not be completed due to having a short time with the Committee and decided to take up the matter in the subsequent meetings.

The Committee further recommended that the departmental representative be asked to supply the information/reply/comments in respect of the another 5 districts i.e. Kurukshetra, Sirsa, Fatehabad, Rewari & Karnal regarding fund of SC component plan utilized/unutilized etc. on the prescribed proforma within a month from the receipt of communication in this regard, thereafter, the matter will be take up in the subsequent meetings.
