

**To set up a Trauma Centre/100 Bedded Hospital**

**\*1491. SH. SHAMESHER SINGH GOGI, M.L.A. :** Will the Health Minister be pleased to state whether there is any proposal under consideration of the Government to set up/ establish Trauma Centre/100 Bedded Hospital on the Karnal-Jind National Highway?

**ANIL VIJ, HEALTH MINISTER**

Sir, there is a proposal under consideration to upgrade the 50 bed Sub Divisional Civil Hospital to 100 Beds Sub Divisional Civil Hospital at Assandh on Karnal-Jind National Highway, wherein the trauma care facilities would also be available.

## **EXECUTIVE SUMMARY**

- A Trauma Care Facility often referred to as Trauma Centre is a healthcare institution that has the resources and capabilities necessary to provide trauma services at a particular level to injured patients.
- Trauma Care Facilities are categorized into four levels depending on the facilities available.
- As per Ministry of Health and Family Welfare (GOI) guidelines, no trauma victim has to be transported for more than 50 KM and Trauma Care Facility should be available at every 100 KM.
- Presently, there are 6 District Civil Hospitals and 1 Civil Hospital where trauma care facilities of level III are functional in the state with the support of Ministry of Health and Family Welfare, Govt. of India.
- All other District Civil Hospitals and other Civil Hospitals are providing trauma care services.
- Karnal- Jind National Highway is on a stretch of 83 KM which is a part of N. H. 709A. A Trauma care facility already exists in Karnal on one end and 200 bedded District Civil Hospital Jind is located on other end of this highway providing 24X7 trauma care services.
- The victims of road side accident/trauma patients on Karnal- Jind National Highway are getting definitive care in Trauma centre Karnal and Trauma Care Facility at District Civil Hospital, Jind.
- The proposal of up gradation of 50 bedded to 100 bedded Sub Divisional Civil Hospital Assandh is already under consideration wherein the Trauma care services would also be available.
